TWELVE PAGES—THREE CENTS

MICHAEL COLLINS IS SHOT FROM AMBUSH

NOTED IRISH LEADER KILLED NEAR BANDON COUNTY CORK TUESDAY

Several Attempts Have Been Made on His Life Recently—Death Had Been Forecast in Ireland—Was Considered One of the Mainstays in New Free State Government

(By The Associated Press) LONDON, Aug. 22.—Michael Collins, head of the Irish provisional government and the Irish national army, was shot and killed from ambush at Bandon, County Cork tonight, a few hours after he had been given an ovation by the people of Cork City, who for the first time saw the Free State hero in the uniform of commander-in-chief. Thus within ten days two of the most prominent figures in the new Irish government have been removed by death. Just ten days ago President Griffith of the Dail Eireann, considered the brains of the new administration, died in Dublin; tonight Michael Collins, Free State's military genius, was killed at the moment when the dissipation of the irregular forces in the south was considered complete.

Several attacks have been made against the life of Michael Collins, head of the provisional government and commander-in-chief of the Irish national army. The latest attempt was a bombing outrage, when his car was ambushed last Friday afternoon on the Dublin Road east of St. Jorlgen. In Dublin on April 17, Mr. Collins was attacked by a group of men some with rifles, who rushed his car and opened fire. Collins was not injured.

DAY LABORERS IN STEEL PLANTS GET INCREASE IN WAGES

Nearly 300,000 Workers Are Affected by the Increase

(By The Associated Press) NEW YORK, Aug. 22.—Three big steel corporations, employing nearly 300,000 workers, today announced a 20 per cent wage increase for all day laborers in their manufacturing plants. The United Steel corporation took the lead but was quickly followed by the Midvale Steel and Ordnance company and the Youngstown Sheet & Tube company.

In the absence of Charles Schwab and Eugene Grace of the Bethlehem Steel corporation no other official of that company would commit himself. President Matthews of the Crucible Steel corporation said his company had taken no action "as yet." It was generally believed in financial circles that all important independent steel firms would announce increases within a few days. News of the increase came as a surprise to the financial district probably because wage adjustments in other industries have been generally downward.

Resumption of coal mining and the increasing demand for laborers in other industries, combined with the expected business revival this fall is reported to have caused apprehension among mill managers, who feared that higher wages elsewhere would cause sufficient desertions to hamper their operations at a time when there was every prospect for heavily increased orders. The U. S. Steel corporation employs, approximately 220,000 men of whom 156,000 are affected by the wage increase, the 64,000 in the mining and transportation departments being excluded. Their rates will be equitably adjusted, the official announcement stated.

The increase will swell the companies' payroll by \$25,000,000 on the basis of "full time"—that is a 12 hour day, but many of the men are now working only eight hours a day. The increase will bring the rate of pay up to 36 cents an hour.

David Williams, secretary of the general strike committee of the Metropolitan Railroad district, said the increase would "put considerable fire into the veins of railroad labor."

Sam Coultas of 325 West 40th street has gone to French Lake, Wisconsin, where he will stay for a few days with Mrs. Coultas.

SURPRISE FACTORS ENTER INTO RAIL STRIKE SITUATION

Rail Executives Say That Talk of Peace is All Bunk

(By The Associated Press) NEW YORK, Aug. 22.—Four surprise factors entered into the rail strike situation today, any one of which according to representatives of roads and brotherhoods, may virtually influence the action of the association of railway executives when it meets tomorrow to consider peace proposals for mediation with the big five brotherhoods. They were:

- 1.—The announcement that presidents of three powerful eastern roads, Samuel Rea of the Pennsylvania, E. E. Loomis of the LeHigh Valley and William Besler of the Jersey Central were expected to arrive from Europe tomorrow in time to participate in the conference of the association of railway executives.
- 2.—The grant by three large steel corporations of a 20 per cent wage increase to their several hundred thousand day laborers.
- 3.—Assertion by L. F. Loree, president of the Delaware & Hudson and chairman of the Eastern presidents' conference that predictions of a strike settlement and peace in the industry were "all bunk."
- 4.—Announcement that several brotherhood chiefs are enroute from the west with practical proposals for settlement of the shop crafts strike which they will submit to rail executives if all other peace advances fail.

Heads of the railway executives refuse to comment on the unexpected arrival of the three eastern presidents. Their return was admittedly significant, however especially since their respective vice-presidents have consistently fought against any peace plan which included reinstatement of strikers with seniority rights unimpaired.

The decision of the steel corporations to raise the wages of laborers was hailed by the strikers as a point in their favor.

It not only justified their refusal to accept wage cuts fixed by the railroad labor board, they said, but was ample proof of an impending industrial boom which would put the railroads with their thousands of bad order cars more than ever in need of their old repair forces.

David Williams, secretary of the eastern strike committee said the "railroad man will find it hard to understand why he should get \$2.75 a day when he could get \$2.75 for the same work in the steel mills."

Rail heads refrained from discussion of the possible effects of the steel companies' move on rail strike negotiations. Altho Mr. Loree today distanced the brakes on strike negotiations after declaring that "this talk of peace is all bunk." Other members of the eastern presidents' conference, voicing similar views indicated clearly that they will enter tomorrow's conference as a "bloke" to oppose any plan for restoration of seniority.

SWIFT AND COMPANY MUST SELL STOCK

(By The Associated Press) WASHINGTON, Aug. 22.—The federal trade commission today directed Swift & Co., of Chicago to divest itself of all capital stock of the Moultrie Packing company of Moultrie, Ga., and the Andalusia Packing company of Andalusia, Ala. on the ground that the acquisition of the stock in violation of the Clayton act.

Swift & Co., under the order of the commission is also required to cease from further suppressing competition in trade heretofore existing between the Moultrie and Andalusia companies from further holding, owning, controlling or operating in any manner the plants and business of these two concerns.

ATTEMPT TO WRECK L. & N. PASSENGER

(By The Associated Press) EVANSVILLE, Ind., Aug. 22.—What is believed by federal officials here to have been an attempt to wreck a passenger train on the St. Louis division of the Louisville and Nashville railroad was thwarted today when track walkers discovered several spikes pulled from the ties and a splice removed in a section of track near St. Phillips, 10 miles west of here. Federal officials who are investigating have found no clues to the identity of the persons responsible for the act. It was said.

Roundhouse at Venice Dynamited

(By The Associated Press) EAST ST. LOUIS, Ill., Aug. 22.—A tremendous explosion which shook buildings within a radius of three miles, occurred at the roundhouse of the Chicago and Alton railroad at the south end of Venice, five miles north of here shortly before midnight. Several sticks of dynamite were thrown upon the roof. According to Yardmaster J. E. Redmond, about twelve men were at work in the roundhouse, but whether any one was hurt could not be definitely learned.

RECONSTRUCTION OF CUBA NEARING ITS COMPLETION

Reform Program Drafted Under Direction of General Crowder

(By The Associated Press) WASHINGTON, Aug. 22.—After many months of confusion and uncertainty the reconstruction of Cuba's political and fiscal affairs is nearing completion on a basis which state department officials regard as promising an era of restored confidence and tranquility thru out the island Republic.

The reform program in the drafting of which Cuban officials have had the constant aid of Major General Enoch H. Crowder of the American army is said in advices received here to have reached a stage where re-establishment of governmental and financial stability appears to be assured for the near future.

Numerous changes in the government machinery making possible the retirement of fiscal and judicial officials who stand in the way of needed reforms are coupled in the reorganization plan with a sweeping rehabilitation of the entire tax collecting and disbursing system of the public treasury.

In a statement tonight the state department manifested thorough satisfaction with the turn taken by the Cuban affairs and predicted that a proper execution of the plans now agreed upon among Cuban officials undoubtedly would go far toward "normalization and the betterment of business conditions generally."

JURY RETURNS VERDICT IN JOLIET KILLING

(By The Associated Press) JOLIET, Ill., Aug. 22.—The verdict of the coroner's jury here today, investigating the slaying of two men and wounding of a third, held that one man, Philip Reitz, special agent of the Elgin, Joliet & Eastern railroad was shot to death, and Sheriff Newkirk was wounded by Frank Lavio, a striking shopman, who was also shot and killed. The jury held that he was slain by persons unknown. Striking shopmen refused to testify when called before the coroner's jury.

MAIL SITUATION IS ACUTE IN SOUTH

(By The Associated Press) CINCINNATI, O., Aug. 22.—R. N. Bird, superintendent of mails in the Southern district announced here today that acting on advices from W. R. Watson, chief clerk of the railway mail service at Louisville, that the situation on the Southern was "becoming acute" due to the strike conditions and that train service might be discontinued on approximately 614 miles of the railroad he had taken steps to meet the emergency by handling local mails with a thoroughly organized motor truck service. The lines affected, according to Superintendent Bird are from Louisville to Lexington and Danville and Lawrenceburg, Ky.; Louisville and St. Louis; West Baden to Evansville, Ind.; Lincoln City to Cannellton and Lincoln City to Rockport in Indiana and Illinois.

SIX INJURED IN RAIL COLLISION

(By The Associated Press) TALLADEGA, Ala., Aug. 22.—At least six persons were seriously injured and thirteen suffered minor injuries when the southbound L. & N. passenger train No. 85 collided with a freight train about two miles south of Talladega this afternoon.

The collision occurred near a spur track upon which the freight is said to have been switching.

LEGISLATION IS READY TO NAME COAL COMMISSION

Will Rush Thru Bill to Select Non-Partisan Commission

(By The Associated Press) WASHINGTON, Aug. 22.—Congress was ready tonight to rush thru its first stage tomorrow a bill recommended by the president for creation of a federal commission to get all the facts relating to the coal industry and on which miners and operators would not be represented.

Two bills, slightly different in some essential provisions were reported—one to the senate and the other to the house. The Winslow measure introduced Monday will be taken up by the house tomorrow under a special rule giving it the right of way. There was an intimation that the Borah commission bill ordered reported to the senate by its labor committee of which Senator Borah is chairman, might also be called up tomorrow.

Meanwhile work proceeded on the draft of emergency legislation to control coal prices and to provide for equitable distribution of fuel. Word reached house leaders that the bill would be submitted tomorrow to the president for approval by the Central Coal committee of which Secretary Hoover is chairman. The Winslow bill as finally redrafted provides for a commission of not more than nine members to be appointed by the president with the advice and consent of the senate. The commission would elect its own chairman, make its first report January 1 next and continue in life for one year only. A new section stipulates that "no person shall be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter or thing, concerning which he may be compelled to testify, or to produce evidence, documentary or otherwise before the commission. The Borah bill proposes a membership of five and there were reports tonight that the house might cut it to that number since mine owners and miners would be denied representation. Without a record vote the house rejected a motion by Representative Denison, Republican, Illinois for elimination of the section making any person interested in or connected with the coal industry ineligible.

DAIRY COW MAY SAVE AGRICULTURE

(By The Associated Press) CHICAGO, Ill., Aug. 22.—The humble and placid dairy cow may yet save American agriculture from any more periods of depression. A. J. Glover, dairyman-editor of Fort Atkinson, Kans., told the members of the American association of joint stock land banks at its fourth annual meeting today.

CALL ISSUED FOR JUDICIAL CONVENTION

(By The Associated Press) SPRINGFIELD, Aug. 22.—Notice of a call for a Republican convention in the 12th judicial district, on September 16 to nominate a candidate for the circuit bench, was filed today with Secretary of State Emmerson. A special election has been set for November 7 by Governor Small to fill the vacancy caused by the death of the late Judge Dorrance Dibel. The district is composed of Iroquois, Will and Kankakee counties. The convention call is signed by E. S. Herron of Gallivan, E. A. Jeffers of Kankakee and George A. Barr, Joliet, chairman of the Republican central committees of their respective counties.

PROSPERITY CREATES DEMAND FOR LABOR

(By The Associated Press) CHICAGO, Aug. 22.—The rising tide of prosperity has not only wiped out the unemployment problem of a few months ago but has created an actual shortage of men with an accompanying increase in wages, according to employment agents, railway officials and manufacturers tonight.

Employment agents of Madison street the thoroughfare of the unemployed complained that there was a scarcity of both railroad labor and farm hands said that as a result higher wages were being offered.

ANNUAL MEETING OF FRIENDS AT OSKALOOSA

Oskaloosa, Iowa, Aug. 22.—The sixtieth annual meeting of Friends, which convened today, was attended by 600 representatives and visitors. After the roll call the meeting was adjourned as a mark of respect to the Rev. Charles Lascant, pastor of the Friends church at Earlham, Iowa, who was killed in an automobile accident near Des Moines, while on the way to the meeting. Sessions of the conference will be resumed tomorrow morning and will continue thru the week.

SOFT COAL OPERATORS AND MINERS IN TWO STATES MAKE PEACE

Illinois and Indiana Mines to Start Operations Today—Estimate Production of 9,000,000 Tons Per Week—Will Have a Supply For Householders Within Two Weeks

(By The Associated Press) CHICAGO, Aug. 22.—Soft coal operators and miners in two more states made peace today while anthracite operators and miners representatives meeting in Philadelphia adjourned a joint conference subject to call without reaching an agreement.

Illinois and Indiana miners prepared tonight to enter the pits tomorrow following the lead of Michigan, Iowa and Wyoming miners who yesterday concluded agreements with operators from these states. Southwestern operators and miners were holding conferences at Kansas City in an effort to bring about a settlement. The peace negotiations already completed caused the department of labor to estimate the weekly bituminous coal production at 9,000,000 tons within a week.

All the agreements thus far concluded in the bituminous industry have been based on the settlement concluded at Cleveland last week between John L. Lewis, president of the United Mine Workers of America and his associates and operators from seven states. By the terms of this agreement the miner returned to work at the same wage scale and under the same working conditions as when they struck on April 1st.

This agreement is to remain in effect until next March 31, with provision for a fact finding committee to investigate the coal industry and the selection of a sub-committee of operators and miners at a joint conference at Cleveland, October 2, to determine methods of negotiating future wage scales.

The agreement between Illinois miners and operators came after almost continuous conferences lasting for five days between operator and miners joint committees and sub-committees.

Today's agreement merely provides for continuing present wages and working conditions until next March 31, eliminating the clause providing for negotiations for formulating a new contract to begin when the present one expires, this clause being supplanted by the Cleveland plan of negotiation.

President Farrington, Harry Fishwick vice-president and Walter Nesbit, secretary of the Illinois miners signed the agreement for the men while Rice Miller, president of the Illinois coal operators' association and W. K. Kavanaugh, president of the operators' association of the fifth and ninth districts signed for these associations. The Central Illinois operators chose to sign as individuals.

President Farrington announced tonight that every Illinois operator had signed the agreement and said that all men had been ordered back to work in this state, predicting normal production by Monday if the trains are able to move the coal.

Householders Safe President Kavanaugh, of the operators said that production in two weeks' time would be sufficient to supply the householders. He asserted that one result of the strike would be the enactment of legislation to prevent such strikes in the future.

With Governor Small having appointed his committees to supervise priority orders for coal, Dr. F. C. Honnold, secretary of the Illinois coal operators' association predicted that coal rationing in the state will be over in two months if the railroads can handle the output of the mines.

Discussing the loss in Illinois from the strike, Dr. Honnold's statement said that it would be 150 days on next Monday since mines were producing to any extent.

The loss to the individual miner on this basis at \$559 for the period or \$50,000,000 for the 90,000 miners in the state.

The cost to the mining companies he estimated at \$25,000,000. He said that consumers have probably paid an average excess in price and freight of \$3 a ton for 10,000,000 tons, a probable total of \$30,000,000.

Previous to adjournment today the Illinois miners adopted a resolution expressing "respect and confidence" in President Farrington and his associates in the handling of the strike and condemning what was termed "hostile criticism" offered by designing persons.

West Frankfort Rejoices West Frankfort, Ill., Aug. 22.—Whistles at four large mines near West Frankfort will be blown tomorrow for the first time since the strike became effective.

(Continued on Page 4)

CONGRESS SENDS TARIFF MEASURE TO CONFERENCE

Preliminary Meeting Probably Will Be Held Today

(By The Associated Press) WASHINGTON, Aug. 22.—By a vote of 198 to 69 the house sent the tariff bill to conference today for its third redrafting, the six Republicans conferees, three from the house and three from the senate probably will have a preliminary meeting tomorrow and get down to work in earnest Thursday.

The size of the task ahead of the conference committee was revealed today with the reprinting of the bill as it was approved last Saturday by the senate. The reprint showed 2,436 changes from the original house text—a new high record—and the conferees will have to adjust differences on each of these.

Representative Campbell of Kansas, charged that the Democratic campaign members had arranged a very cunning campaign to be inaugurated the day after the measure becomes a law. "Already the arrangements are made," he asserted. "The stage is set, the plans are fixed, the advances are to be made upon every article enumerated in this bill, either with specific or ad valorem duty and the price is to be advanced on the orders of the importers down thru to the retailers."

Chairman Fordney of the ways and means committee who heads the house conferees promised that he would go into the conference insisting upon the original house bill.

Representative Garner Texas, ranking Democrat on the ways and means committee predicted that the house would have to accept the senate's foreign valuation plan if wanted to have any tariff bill.

Immediate action on American valuation was urged by Representative Garrett, Tenn., the Democratic leader.

Representative Pou, Democrat of North Carolina declared the house was sending to conference a bill more "vicious" in its terms than any ever presented to an American congress and one that had the "enthusiastic support of nobody."

HEAT RECORDS ARE BROKEN IN KANSAS

Kansas City, Mo., Aug. 22.—Heat records for the summer were broken today in several towns in Central and Southern Kansas, according to reports received here. Pittsburgh reported 106 degrees and Emporia 104, both being new records for the summer. A government thermometer on a street in Wichita registered 107.

**A THOUGHT**

A man that hath friends must show himself friendly.—Proverbs 18:24.

So long as we love, we serve. So long as we are loved by others, I would almost say, we are indispensable; and no man is useless while he has a friend.—Robert Louis Stevenson.

The prediction is made that the air "flier" is coming and that in a few years' time air craft of simple type will be a common means of transportation. At any rate, as air travel increases, some

relief may come to the congested conditions on the hard roads. That would be a cause for congratulation, even if air flier accidents are of common occurrence.

The coal strike is over in Illinois and mine whistles will blow this morning and thousands of miners will be at work. It is said that the news of the strike settlement was received in some mining towns with as much demonstration as often accompanies a Fourth of July celebration.

The feeling of rejoicing was no doubt genuine, for the business had been shut down a month or more longer than mine operators or mine workers expected.

It's a sad commentary on present day systems that this struggle might easily have been avoided, had but reason and fairness dominated the leaders on both sides of the controversy.

People hope for great crops as a sign of business prosperity, but after all, in some instances plentiful crops mean less revenue for the producer. Take the case of Calhoun county. A wonderful crop of apples is growing there this year, but present conditions are such that the market price will not pay the cost of picking, handling and transportation. The apples are so exceedingly plentiful that the price has reached a low mark and unless conditions change thousands of bushels will be permitted to rot on the ground.

The condition also serves to emphasize how all important a factor transportation is in the marketing of commodities.

**PROFIT IN BUSINESS**

It is a good thing to remember as the Saturday Evening Post points out that business must show a profit if times are good.

It is to the advantage of society that business as a whole shall be profitable. The great industries, the railroads and public utilities, which are the framework of national well-being, could never have been created under conditions unfavorable to reasonable returns.

Profit is the wage of service—the spur to endeavor—an objective of practically every material development of civilization. Good profits mean good service and prosperity—poor profits presage unemployment, hard times and business mortality.

Our progress toward better times depends upon the general acceptance of the truism that business is worthy of its hire. To deny reasonable earnings to industries, railroads and public service corporations is to deny their usefulness or right to existence.

**CONQUERING WORRY**

(NEA)  
What worries you most in life? Generally we buck up and face our big problems squarely. Our attitude is, "I'll do the best I can. It won't do any good to worry about it." Then we turn around and worry about a trifling incident or situation.

Dr. Donald Gregg, able physician

**BERTON BRALEY'S DAILY POEM**  
**The Dope Sheet**

By Berton Braley  
**SOMETIMES** a guy can disregard Each rule of health, yet live to be A hale old party, tough and hard, Who plays par golf at ninety-three; And you might also do the same And still grow very old and gray. But, as the wise guy views the game, The betting is the other way.

**SOMETIMES** the loafer cops the wad And drinks the nectar of success, While he who works must dully plod A path of toil and weariness; And you, perhaps, might grab a roll Without a stroke of work, but say! You will observe that—on the whole— The betting is the other way.

**THERE** are exceptions to all rules, But when you're planning out your fate, Don't be impressed by lucky fools, Or think them wise to emulate. Some rounders laugh at Father Time, Some idlers prosper and are gay, But—here's the moral to this rhyme— The betting is the other way.

(Copyright, 1922, NEA Service)

ian in Wellesley, Mass., writes:

"Henry may wake up after sleeping on his arm and be a bit amused to find his hand numb. William, whose father has just had a shock involving his left side, may be quite upset when he finds his arm numb from the same cause that failed to distress Henry."

Worry is a psychopathic condition, an emotional disease. Sometimes it is caused by unconscious vanity—an exaggerated conception of the importance of ourselves and our surroundings. Doctors lately notice an exceptionally large number of patients with nothing really wrong with them, yet they are "terribly worried."

All they need is the physician's reassurance that the best thing is to forget it. Now that the medical profession is beginning to understand the endocrine glands of the body, a peculiar cause of worry is discovered. This type of worry sometimes takes the form of a constant apprehension of impending disaster, a fear of nothing in particular, caused by over-secretion of certain chemicals by the thyroid and adrenal glands.

Usually, tho, worry is a mental disorder, a sort of escape of steam or leak from the disordered nervous system.

The best medicine is work—and a hobby interesting enough to take the patient's mind off his worry and make him forget it. The worry may come back as soon as the work and play are halted. But generally the brain can be trained to forget, just the same as it can be trained to remember.

The moment you find yourself worrying, strive to dismiss the subject from your mind. Wipe it away, like chalk writing from a blackboard, and concentrate the mind on something else.

Above all, remember that worry is nine-tenths in the imagination.

**FIVE FUNDAMENTALS IN CIVILIZATION**

Rev. F. B. Madden Addressed Mass Meeting at Clinton—Argument Made for Law Observance in Everything.

During the shopmen's strike there have been some disturbances in connection with the Illinois Central shops in Clinton. In fact, there have been several serious clashes and news stories from Clinton have detailed these facts. Because of these events an subsequent publicity given Clinton, a mass meeting was held on Sunday evening recently on the campus of the Clinton community high school with 1,000 people in attendance.

Rev. F. B. Madden, formerly of this city and now resident in Clinton, was among the speakers. Mr. Madden said that he would not discuss issues of either the coal or railroad strike, but would talk about some of the principles that he said are basic in American life.

He said there are ten millions of people in this country who live below the poverty line. One out of every twelve persons who die in New York City are buried at public expense in a pauper's grave. On the other hand two per cent of the people own sixty per cent of the wealth of the nation. Something is wrong. He also said his sympathy was with the toiler. He himself had worked as a "hired hand" for ten dollars a month and was still a poor man. But his judgment did not approve all the methods used by labor unions.

Rev. Madden stated he believed that labor unionism will survive, but not in its present form, for it depends too largely on the strike, which is a form of force, and the use of force by a union, a corporation or an individual is a violation of law, and those who violate law are enemies of the state. Only law-abiding institutions can survive. A better method than that of jungle or of the cave man must be found to settle the conflict between capital and labor.

He named as the five fundamentals of civilization the state, religious liberty, the Sabbath, the idea of property and the family, and stated that these must be preserved or American civilization will go, as many others have gone, to the graveyard of nations.

He stated the concentration of wealth, worship of wealth, political plunder, extravagance and ignorance are the five signs of national decay that have marked the decline and ruin of past civilizations.

He said that the five supreme survivals of history are the state, religious liberty, the Sabbath, the idea of property and the family, and that humanity has been centuries learning the absolute necessity of observing these great five institutions: law, government and liberty, religion and tolerance, rest and spirituality, property and honesty, marriage and purity. After all these centuries humanity has no use for anarchy and those who oppose the protection of property and life by the State are enemies of society. He said he believed that the majority of the members of the various labor unions of the nation are loyal American citizens, but that Moscow is sending emissaries and literature to this country to convert American laborers, who, Moscow says are "too reactionary," into communists. It is these emissaries and their converts who are creating the unrest and lawlessness in this country, and the American Federation of Labor must cast out of its ranks these anarchistic communists who are determined to rule or ruin both American labor and American property and government.

Mr. Madden charged the fifty-six millions of American church members with a large part of responsibility for Sabbath desecration, the prevalence of divorce and the rich criminal whether in the spirit of lawlessness. He said that Moscow, railroad magnate, profiteer, governor or violator of the Eighteenth amendment and the Volstead act, should be punished with the utmost penalty of the law, as well as the bootlegger, the Hoern labor mob and other criminals. Law should be enforced without fear or favor and its majesty maintained.

**OLD JACKSONVILLE**  
OUR GROWTH AND DEVELOPMENT

(BY ENSLEY MOORE)  
Member Illinois State Historical Society

Jacksonville appeared on the map of Illinois in 1825.

James wrote, in 1885: "We say the growth of Jacksonville was slow, we mean slow in comparison with the cities, which have arisen in a night, or, though now numbering over twelve thousand inhabitants, it is yet young in history. The time does not seem long distant when the Indian chose his hunting grounds upon the banks of the Maudslai, and the rich soil of the country furnished a tempting pasture to the roaming herds of deer and buffalo."

An old settler said, in 1874, of his early associates: "The country was entirely destitute of the arts and sciences, and had to do without them. They endeavored to make all the corn and pork they could, and that was their salvation. It took from three to five yoke of oxen to break the tough sod so they could cultivate the soil. They had to labor hard to secure homes, and every dollar went to the Land Office to pay for them."

**Population.**  
In 1821 there were only twenty-one families in Morgan county, which then included Morgan, Cass and Scott counties.

The population of the town, incorporated in 1825, was said to have reached 5,000 in 1830. "Peck's Gazetteer," published here in 1834, claimed about 1,800 people, without the college students. This last point suggests the greatest material and educative force that ever located here, Illinois College, in 1850.

The public buildings were a "spacious" court house, a neat frame building for the Presbyterian house of worship, a large brick building for the Methodist society, and a handsome edifice, also of brick, for the Episcopalian denomination; a "female academy," a brick market house (in the northwest part of the Park) and a county jail. "The College edifices are one mile west of town."

Uncle Sam credited Jacksonville with 1,700 people in 1840. There were 2,745 in 1850, and

5,528 in 1860. This last being the largest comparative growth in a decade. Notwithstanding the War, Jacksonville had 9,355 inhabitants in 1870. Better stores were put up during the decade between 1860 and 1870, and many good residences. Strawn's Hall was begun in 1859 and occupied in 1860-61.

Unfortunately, our growth has not been so great, relatively, since 1870.

**Various Enterprises.**  
have added business importance, public advantages and other help to our municipality since 1840.

Improvements have been made in churches, school buildings, at the College, and Female Academy, and Woman's College. Hospitals, creditable to any of the smaller cities, have been established and are well conducted. The three State institutions have been immensely extended, and the handsome Morgan County Court House has become an ornament to the city. Large, well furnished and attractive hotels make visitors or travelers comfortable. Extensive, and, at present, sufficient water works have been constructed and extended, again and again, and electric power has been furnished for street cars, light and business motive power.

**Educational Advantages.**  
have been extended and improved, and one of the largest high schools in the state or country has been built and equipped.

**Attractive Features.**  
of many kinds have come, along with the wonderful new inventions of these latter days. The streets are faced with handsome and larger residences and stores, and larger business motive power. The city is so greatly developed of late years. And the fine street pavements and sidewalks make Jacksonville exceptionally noticeable to strangers, and valuable to citizens.

The era of frame and brick churches has given way to a "stone age," and Jacksonville bids continued defiance to the local "knocker."

**CHAPIN HORSE SHOW**  
TO BE HELD TOMORROW

Many Entries Listed for Sixth Annual Horse Show of Chapin Fair Association.

The sixth annual horse show under the auspices of the Chapin Fair association is to be held tomorrow, August 24. Interest in the various classes is keen and a large number of entries have been made in each, with indications that many more will be in before the entry lists close at 10 o'clock tomorrow morning.

The officers of the association are:

President—H. O. Smith.  
Vice President—A. V. Shoemaker.

Secretary—H. P. Jay.  
Treasurer—William Rigg.

The arrangements for the day have been in charge of the officers, with the assistance of the members of the association as follows: Albert Bartelheim, Thomas Drake, Dr. Fred Eller, Charles Drake, Alpa Anderson, Fred Mendenhall, John Drake, George Smith, Samuel Chaffner, Charles Taylor and Bert Way.

The refreshment committee includes Dr. Fred Eller, Albert Bartelheim and Thomas Drake, and preparations have been made for a large number of victors. The Merritt band has been engaged to furnish music during the day and a merry-go-round will be one of the entertainment features. Altogether the day promises to be a success in every respect.

Leith F. Maxey of Farmingdale is to serve as judge in the various classes. He is known throughout the state as an authority on horses.

**LIST OF ENTRIES IN COUNTY FAIR RACES**

Entry List in \$200 Purse Events Showed Eight Names—List of Entries in Half Mile Events Still Open.

Mention has already been made of the fact that a large number of entries have been made for the various racing events at the Morgan county fair. The entry list in the \$200 purse events has been closed and below is the complete list of entries. In the half mile races the entries do not close until 12 o'clock on the first day of the fair, and the list of entries in these classes will be published later.

The list of entries as compiled by Scott Green, superintendent of the speed department, follows:

2:25 Pace (\$200 added)—John Jay Todd, Constant Dillon, Illinois Joe, Baron Winter, Lippy Forbes, Red Bill, Coody.

2:20 pace (\$200 added) Johnny Todd, Jess Willard, Constant Dillon, Clara Todd, Moore, Lippy Forbes, Miss Dillon, Coody.

2:27 trot (\$200 added) Prince Morono, Charles Valentine, Leon DeForest, Treiston, Edna Mayo, Lucille B. Wood Wallie.

2:17 trot (\$200 added) Leon DeForest, Sylvia Bell, Sterling Dillon.

2:14 pace (\$200 added) Jess Willard, Red B. Constant Dillon, Clara Todd, Lippy Forbes, Miss Bergen.

2:22 trot (\$200 added) Prince Morono, Charles Valentine, Rebecca Lu, Sylvia Bell, Treiston, Lucille B. Wood Wallie.

## CITY AND COUNTY

ters prominent citizens, motored to town on business yesterday.

R. E. Strawn of Strawns Crossing was a business visitor in town yesterday afternoon.

H. B. Smith of Canton was listed among business visitors yesterday.

O. S. Morse and R. L. Bridgeman were representatives of Springfield in the city yesterday.

A resident of the region south of town said yesterday that the

region seemed quite desolate as so many had gone to Murrayville to attend the big Catholic picnic and base ball game there.

Mr. and Mrs. F. L. Barber and Miss Gladys were callers from Virginia yesterday.

Miss Mary Perkins helped represent Franklin in the city yesterday.

Charles Kehl of the Eli Bridge Co. is in Chicago for a week's visit with his mother.

E. V. Frances of the north part of the county was a caller on business men here yesterday.

G. W. Bender was a guest in the city yesterday from the neighborhood of Lynnville.

Clarence German of the German brothers garage delivered a new Twin City tractor to Roy

Robinson of Prentice vicinity yesterday.

Arthur Ornellas paid a shopping visit to local merchants yesterday.

Mrs. E. R. Sooy was listed among the many callers in the city yesterday from Woodson.

Edward McCullum and Clarence Northup were callers in the city last evening from Bluffs.

Mr. and Mrs. Fred McCraven of Bluffs were shoppers in town yesterday.

Mrs. Roy Thompson of Winchester helped make the local merchants happy yesterday.

Harry Hart of the "Arcade" made a business trip to Palmyra yesterday.

Walter White was a recent caller in the city from the neighborhood of Arenzville.

## MURRAYVILLE PICNIC WAS HUGE SUCCESS

Annual Picnic and Chicken Fry of St. Bartholomew's Church Attended by Great Throng—Long List of Prize Awards.

The annual burgoo picnic and chicken fry of St. Bartholomew's church in Murrayville was held Tuesday in the park there and was one of the most successful events in the history of the community. During the early morning hours people began to arrive and by noon the park was thronged with visitors, all the nearby towns and villages being well represented.

The Woodson band furnished music thruout the day and the Short Entertainers from Jacksonville also appeared in special musical features.

About 600 spring chickens were fried and served and 600 gallons of burgoo soup made by Joseph Barnhart and his helpers was sold during the day and evening. The committee in charge of the dinner and supper included Mrs. William Ring, Mrs. Al Hobbs and Mrs. Thomas Welch.

One feature of the day was the ball game between the Murrayville Ramblers and the Jacksonville Indians, the former team winning by a score of 1 to 0.

During the morning prizes were awarded in the following contests:

Best looking lady over 16 years—Ellen Coleman.

Oldest couple on grounds—Mr. and Mrs. P. J. Mandeville.

Ugliest man—A. T. Story.

Man with largest feet—P. J. Mandeville.

Tallest man—L. L. Mandeville.

Best looking boy baby under one year—Carl Rousey's child, first; Paul Loneragan's, second.

Best looking girl baby under one year—Paul Loneragan's, first; Elza Virgin's, second.

Largest family on grounds—Michael Coleman's family of 12, first; James Begnal's family of 10, second.

Ladies' nail driving contest—Mrs. Nellie Beeheimer.

Man with longest beard—George Crouse.

Girl under 16 with longest hair—Gertrude Edwards.

Best looking twins under 3 years—James McGrath's twins.

Fattest boy under one year—Wm. Casey's child.

Fattest girl under one year—Paul Loneragan's child.

Fattest boy between 10 and 16 years—Eugene Gollier.

**Cake Contest**

In the cake contest the judges were Mrs. L. C. Funk, Manchester; Mrs. Metzger, Springfield and Mrs. James Callahan, Chicago.

A number of fine cakes were entered in the contest and the judges had a difficult time in making their awards, which were as follows:

Angel Food—Mrs. S. I. Henry.

Cocoa nut—Mrs. Peter McCabe.

Devil's Food—Mrs. John Doyle.

Burnt Sugar—Mrs. William Ring.

Best home made bread—Mrs. Richard Ryan.

Blackberry Jelly—Mrs. Thos. Ring.

**Afternoon Contests**

Prizes were awarded during the afternoon in the following events:

Free for all 100 yard dash—William Cooper.

Potato race—William Cooper.

Three legged race—Rolly Cooper and William Thady.

Slow auto race—Roy Thady.

Auto race around barrels—Leonard Robinson.

Auto longest distance from home—Elsie Hembrough of Kans.

Best decorated Buick—Leonard Robinson.

Best decorated Ford—Rolly Cooper.

Best pony turnout—First, Eleanor Rimbey; second, Miss Henry.

Best all purpose team—David Cooper.

Best mule team—Vernon Baker.

Best lady driver—First, Mrs. George Smith, Manchester; second, Miss Smith of Winchester.

Best single turnout—First, William Day; second, Samuel, Dean.

**Evening Program**

In the evening literary and musical contests were held in the pagoda, the successful contestants being listed below:

Men's vocal contest—J. Chester Colton, Woodson.

Best girl reader—Mary Reardon.

Best boy reader—Anthony McCabe.

Girls' vocal contest—First, Alta Dobson; second, Mary Doyle; third, Eleanor Rimbey.

Old Fiddler's contest—First, Elsie Virgin; second, William Tazwell.

Fred Wilder of Modesto helped swell the list of city visitors yesterday afternoon.

J. A. Cully was among the Alexander visitors in the city yesterday.

**FARMERS' ATTENTION**

Stop, Look and Listen!

Here you are—it will soon be time to sow wheat—no farms to rent, don't know where you are going next year. Don't you think that the wise thing to do is to buy a farm. Stop paying rent and OWN YOUR HOME. The rent you pay will soon pay for your farm; besides farm land has struck the bottom and is starting upward. NOW, is the time to buy your farm. I have a REAL farm for sale. 163½ acres in a high state of cultivation, in a good neighborhood, and just what you want. Will try to make terms to suit.

C. N. PRIEST  
Jacksonville, Illinois

Sell Cheap  
Sell a Heap

and keep eternally at it—That's our motto.

Your neighbor trades with us—Why not you? We don't want you to make a transfer wagon out of yourself. We will deliver your order free.

If your credit is good at the bank it's good here.

## AIRPLANE WILL BE USED TO EXPLORE

By Its Use Vast Areas Never Before Visited By Man Can Be Reached—May Result in Discovery of New Oil Fields and Ore Bodies.

Chicago, Aug. 13.—(By The Associated Press.)—The airplane as a means of entering and exploring the vast deserts and jungles and other places unknown to civilization is proposed by the Chicago Aviation News, organ of the Aviation club of Chicago.

A trip into the northern extremities of Canada by two three planes, equipped for hunting big game, locating minerals, oil, rare stones and metals and to explore and photographically map the country, is proposed and a call made for opinions as to the trip's feasibility.

There are many places on the earth's surface, it was pointed out, where civilized man has never stood. The interior of Africa, considered almost impenetrable, would be but a few days' trip for an airplane, equipped with two or three motors, any one of which would be able to fly the machine, and with recessible landing gear which enables safe landing on almost any ground, it asserted.

Labrador is almost an unknown country because of the length and severity of winter climate, travel being possible only during the two summer months of July and August," the publication said. "An airplane could travel to the center of the peninsula in three days, spend fifty days in exploration and return before September 1st."

"In addition to the adventure and exploring knowledge gained in such a trip, considerable commercial profit may be obtained. New oil fields await the air explorer. Ore bodies with outcrop signals projecting above the surrounding surface may be found by the air prospector. Diamonds in 'pipes' of blue clay sent the earth's surface in regions off the lines of isothermal life."

"Who will tear loose from the soft life of the cities and take a chance in this great new adventure in the Third Dimension? This calls for real men with ability, knowledge, sense, courage and nerve, to go after the wealth of nature, wrest it loose and turn it into the marts of trade."

**THREE BALLOTS IN THE NEXT ELECTION**

In the election which is to be held November 7 voters in Morgan county will have at least three ballots to handle. One will permit the naming of candidates for state, district and county officers. On a second ballot voters will express their views on the soldiers' bonus bill and a third will give opportunity for expression of the question of light wines and beers.

As mentioned some time since, wet advocates have prepared a monster petition for the submission of this question and it is to be filed in Springfield at no very distant date, in accordance with certain ceremonies that have been agreed upon.

**WILL HOLD PUBLIC SALE NEXT TUESDAY**

Ray L. Hayes has announced a public sale to take place at his farm six miles southeast of Woodson next Tuesday, August 29. Mr. Hayes offers livestock, farming implements and grain in addition to household goods.

## INTEREST SHOWN IN BABY CONTEST

Parents of Twins File Entrance Blanks—Numerous Other Entries Made.

The interest in the baby contest in connection with the Morgan county fair is shown by the rapidity with which entries are being received by Dr. R. V. Brokaw, county health physician. Three pairs of twins are among the entrants, ranging in age from seven months to thirty-four months. These applicants for honors registered yesterday were:

Ruth Elizabeth and Ralph Enos Thomson, aged 7 months, children of Judge and Mrs. W. E. Thomson of Jacksonville.

Charles Horace and Richard Davis Jordan, aged 18 months, sons of Mr. and Mrs. H. C. Jordan of Jacksonville.

Erwin S. and Everett B. Courter, aged 34 months, sons of Mr. and Mrs. Bert Courter, of Alexander.

Other entries have been made from Jacksonville, Markham, Chapin, Alexander, Franklin, Woodson and Waverly in Morgan

county, with others from Springfield, Winchester and Scottville. While liberal prizes are offered, emphasis should be laid upon the fact that careful inspection of children by experts will have its real value. In fact, it is for inspection purposes that the contest has been planned, with the belief that there will be great resulting benefits to the children. Application blanks can be secured at the office of Dr. R. V. Brokaw in the city hall, or from the following persons:

Mercedosa—Dr. H. H. Hammon, Concord—Mrs. J. F. Brown, Chapin—Mrs. F. M. Roberts, Markham—Mrs. Raymond G. Vasey.

Lynnville—Bert J. Scholfield, Arcadia—Mrs. Clarence Thompson.

Literberry—Mrs. Al Dunlap, Prentice—Mrs. Ed S. Collins, Miss Bertha Crum.

Sinclair—Mrs. Frank Green, Mrs. Eugene Hart, Alexander—Mrs. C. M. Strawn.

Pisgah—Mrs. A. A. Curry, Franklin—Dr. F. H. Metcalf, Waverly—Mrs. Paul Allyn, Nortonville—Mrs. S. Charles Story.

Murrayville—J. E. Thompson, Mrs. Harry Strang, Woodson—Mrs. John Henry.

## CREW OF SEAPLANE IS PICKED UP BY U. S. S. DENVER

All Those Aboard the Plane Are Said to be in List of Rescued

(By The Associated Press)

WASHINGTON, Aug. 22.—Lieutenant Hinton, pilot and the members of the crew of the seaplane Sampaio Correia, which left Nassau in the Bahamas today for Haiti in its flight from New York to Brazil are picked up by the United States S. S. Denver at 7 o'clock this evening, according to a wireless message to the naval communications service here tonight from the Guantanamo Station. All those aboard the craft were said to be included in the report that "the members of the crew" had been rescued.

According to the latitude and longitude it was said that the seaplane must have come to grief in or near the windward passage. The seaplane left New York Aug. 17 on a flight by stages to Rio de Janeiro, Brazil, which was expected would be reached in time for the Brazilian exposition next month. The route was to be by way of the South Atlantic coast, West Indian Island and thence to South American points.

## SOFT COAL OPERATORS AND MINERS IN TWO STATES MAKE PEACE

(Continued From Page One)

Effective April 1, it was announced this afternoon. One of the mines is No. 1 at Orient, owned by the Chicago, Wilmington and Franklin Coal company and is said to be the largest coal producer in the world.

Shortly after the announcement was made that the strike in Illinois had been settled, hundreds of persons thronged the streets of West Frankfort and the town took on the appearance similar to that following the signing of the armistice.

The four mines employ 3,500 men. The Orient mine alone employs more than 1,000 men and produces more than 8,000 tons daily.

Harrisburg Miners Ready  
Harrisburg, Ill. Aug. 22.—Within twenty-four hours thousands of cars of coal will be ready to start on their way to the various markets of the country as a result of the settlement of the miners' strike today.

At 4 p. m. this afternoon, less than two hours after the Chicago agreement was signed, hundreds of the twenty-three coal mines in Saline county blew for work. Two of the O'Gara mines Nos. 9 and 14, which had been idle for two years were among those to call the men back to work tomorrow morning.

Hundreds of miners assembled on the public square here and on the streets jubilating when the agreement bulletin was posted. Officials announced tonight that by Friday the mines would be working close to one hundred percent in this county.

## MISS DESOUSA'S WILL FILED IN SPRINGFIELD

The will of Miss Anna DesSouza has been filed for probate in Sangamon county. The deceased, who was quite well known in Jacksonville, bequeathed all her real estate to her brother, Charles DesSouza, who is named as executor. The personal property is also to be his after paying the following bequests: Joseph, a brother, \$100; John, brother \$25; Irene and Loretta DesSouza, nieces and Lester DesSouza a nephew, \$5 each.

## ALEXANDER CLUB WILL MEET TODAY

The regular meeting of the Alexander Woman's club will be held this afternoon at the home of Mrs. Charles Drury in Alexander. The program will include a paper by Mrs. J. W. Reiff on "American Home Life, Early and Modern," and another by Miss Helen Hines on "Home and Its Influence." In addition there will be a number of musical selections, and the program promises to be a very interesting one. A social hour will follow the program.

## HUMMERS RUNNING NEARLY ON TIME

The south bound Hummer on the Chicago & Alton was about one and one-half hours late this (Wednesday) morning. The north bound Hummer was about on time. This is the first time in several weeks that these trains have been running anywhere near schedule. Since the strike they have been running for the most part several hours behind time.

## NOBBY Sport and Dress HATS arriving daily, at HERMAN'S

HERE FOR FUNERAL.  
Mr. and Mrs. J. H. Dunovan and son, Russell, of Dixon, are in the city to attend the funeral of Harry McLain which will be held this afternoon at the Shields residence, 301 West State street.

WANTED—Places for girls in school, to work for room and board. Phone 887, the Business College. 8-23-5f

WANTED—Girl or woman for general housework. 729 West North street. 8-23-1f

## TEMPLARS PLAN FOR SPECIAL TRAIN

Transportation Committee Met With D. C. Diltz to Talk About Proposed Trip to Peoria.

The transportation committee of Hospitalier Commandery, Knights Templar, met Tuesday evening in conference with D. C. Diltz, local agent of the Chicago & Alton. A plan has been under consideration for a special train to carry Knights Templar from Jacksonville to the convocation in Peoria Tuesday, Sept. 12.

Return postal cards were sent to all members of the commandery by the committee, asking if the Knights would attend the convocation and travel on this special train. It is necessary to guarantee 100 passengers. Thus far the committee has not received replies sufficient to warrant the arrangements for a special train.

Templars who have not made reply are urged to do so at once so that the committee may determine with reference to the proposed special train service.

If a train is arranged for it will leave Jacksonville about 4 a. m. on Tuesday, Sept. 12, and will return that night. This arrangement will give Templars the opportunity to take part in the parade, attend various social events and be away from Jacksonville but one day.

## SHOT SELF IN FOOT ACCIDENTALLY

T. R. Henry of Woodson, who is serving as a guard for the Wash at Bluffs, is a patient at Orr-Savior's hospital. Henry while cleaning a 32 calibre revolver Tuesday morning accidentally discharged the weapon and the bullet entered his right foot. Dr. F. A. Norris is attending the young man.

## MYRICK FAMILY TO REMOVE TO MISSOURI

A. R. Myrick and family are soon to leave Jacksonville and are to make their home on a farm near Norwood, Mo. Myrick has recently disposed of his bicycle and repair shop at 226 South Sandy street to Ray Hogan, who is to continue the business at the same location. The many friends of Mr. and Mrs. Myrick are sorry to have them leave the city, but unite in wishing them prosperity and happiness in their new home.

Mrs. Sarah Greenwalt of Manchester, and Mrs. Emma Crouse of Lowder, Ill., are visiting their sister, Mrs. Charles Greenwalt on Independence avenue.

## METHODISTS WILL ENJOY ANNUAL PICNIC

Dr. F. A. McCarty Coming to Make Address at Nichols Park Gathering Friday—Program of Music and Sports.

Dr. F. A. McCarty, now pastor of the First M. E. church in Bloomington, will make the principal address at the annual Morgan county Methodist picnic to be held at Nichols park next Friday. The arrangements for the event are moving along in a very satisfactory way and there is no question but that there will be large attendance.

Rev. E. L. Fletcher will be the chairman of the day. The Merritt band will furnish concert programs and there will be mass singing, led by Albert C. Metcalf, with Prof. H. W. Pearson at the piano.

Miss Beulah Tull is to sing and there will be selections by the Rawlin-Scholfield quartet.

At 10 o'clock in the morning an automobile parade will pass thru the city, led by the Merritt band. A basket dinner will be served at noon and in the afternoon the formal program will be carried out.

The benediction will be by Rev. C. D. Robertson, pastor of Centenary church. In addition to other features, the day's program will include athletic contests. There will be 50 and 100 yard dashes for boys, girls, fat men, lean men and preachers.

Even the ladies are to have an opportunity for a 25 yard dash and they can also enter a nail driving contest.

A 25 yard race backward is another feature, and of course a three-legged race, sack, running broad jump, standing jump and high jump will be found on the program. These athletic events will culminate in a tug of war between preachers and church officers.

## AT THE MAJESTIC

Marie Prevost, in "The Married Flapper," will be the special picture at Luttrell's Majestic this afternoon and night. It is an unusually interesting screen production.

Mr. and Mrs. Earl B. Wiswell and two daughters are to leave tomorrow for an automobile journey to Morris and Chicago. They will be absent a week or ten days.

## I. W. W. REPORTED TO BE AGITATING RAIL STRIKE AT SHAWNEE

Daugherty Says Department Of Justice Has Received the News

ports to the department of justice indicate that "agitation" of railroad strikers at Shawnee, Okla., is at a high pitch as any point in the United States with I. W. W.'s, fanning the flame, Attorney General Daugherty said today. Trains are being stopped and the mails are being interfered with to some extent he added.

More than 1,000 shopmen are out on strike he said his reports show and in addition there are five or six hundred unemployed members of the local union. The attorney general has authorized the swearing in of sixty deputy marshals and unless the situation improves additional deputies will be authorized.

The disorders and trouble throughout the coal districts and rail centers in the west Mr. Daugherty said showed "that neglect of state authorities in Illinois has been an invitation and cause for disregard for law and this widespread disorder."

The federal authorities he added had no power to taken action in Illinois after the Herrin massacre.

## WAVERLY ALL READY FOR BIG PICNIC

Commercial Club Has Planned to  
Entertain Crowds Today and  
Thursday—Program Outlined.

Waverly, Ill., Aug. 22.—Waverly is expecting a record crowd Wednesday and Thursday, August 23 and 24, for the Commercial club picnic. For weeks competent committees have been at work and the program arrangements made for morning, afternoon and evening of the two days make certain that the people will be well entertained.

Inquiries received indicate attendance from a large area. The events have been so arranged that the people will find something to really interest them, no matter what part of each day they spend in Waverly.

The Municipal band will give concert programs, vaudeville features have been arranged and in addition there will be numerous athletic events. The vaudeville features will not be of the stereotyped kind but new and up to date offerings will be made. The general outline of the program is as follows:

### Wednesday

10 a. m.—Darky Jubilee Singers. On platform near flag pole.  
10:30 a. m.—Tennis; preliminaries and semi-finals. On court in park.

F. A. Wyle in charge; entries received at the court.

Horse shoe pitching; preliminaries. On north side of square.

Dr. J. D. Chienoweth in charge; entries received at court.

10:45 a. m.—Field events. Dr. Walter Allyn in charge. Entrants in all field events report in front of First National bank before 10:45.

Bicycle race around park—Free for all. 1st prize, carrier basket, Russell Lankton; 2nd prize, Vedder Cyclometer, Russell Lankton.

50 yard dash, boys 15 years or under—1st prize, cap, Spaenhower Bros.; 2nd prize, wedge seat cushion, H. J. Rodgers' Garage.  
150 yard dash, free for all—1st prize, solid gold chain, Star Store; 2nd prize gold novelty knife, Star Store.

220 yard dash, free for all—1st prize, 5 gallon can Pro Tex oil, Western Products Co.; 2nd prize, 1 pair Ford safety step mats, Federal Rubber Co.

440 yard dash, free for all—1st prize, Motometer and winged radiator cap, H. J. Rodgers' Garage; 2nd prize, 10 lb. Whiz Gear grease, R. M. Hollingshead Co.

12 noon—Drawing preliminaries, near pagoda. Committee in charge, Fred Harney, E. B. Wyle, Amos Spaenhower.

1:30 p. m.—Three Aerial Grigins, sensational gymnasts, in street, west side of park.

2:30 p. m.—Vaudeville; Venetian Specialty. On platform in street, near library.

3:30 p. m.—Bicycle polo, south side of square. Trophy, three bicycle tires.

4:30 p. m.—Three Aerial Grigins, sensational gymnasts, in street, west side of park.

5:15 p. m.—Auto Polo, south side of square. "Duke's Mixture" vs. "Washburn's Special." All spectators are requested to keep off of field.

7:00 p. m.—Darky Jubilee Singers, on dance platform, in park, near library.

7:30 p. m.—Platform dance—Dunlap's 5-piece orchestra.

7:30 p. m.—Vaudeville and Ford day movies at Bijou theatre; doors open at 7 o'clock.

7:30 p. m.—Band concert—Waverly Municipal Band, on platform near flag pole.

8:30 p. m.—Vaudeville act; Magic Act. On platform near flag pole.

9:00 to 10:00 p. m.—Band concert.

### Thursday

**FLYING SQUADRON TO  
HOLD SESSION HERE**

Meetings to Be Held at Grace M. E. Church for Three Consecutive Days, September 10th, 11th and 12th.

The Flying Squadron called "A University in Motion, a Convention on Wheels," will reach Jacksonville, for a series of meetings to be held in Grace M. E. church, Sunday, Monday and Tuesday, September 10, 11, 12, at 3:00 and 8:00 p. m.

R. S. Middleton of Indianapolis, Ind., advance man for the Squadron is in the city today completing arrangements for the coming of the Squadron and stated that these national speakers are making a nation wide tour in the interest of law enforcement, civic righteousness and social and industrial justice. This campaign began Aug. 30 1921. Jacksonville will be the 371st city to be visited by these speakers and Illinois is the 40th state to be covered.

**First Day's Speakers**

According to arrangements the speakers for the first afternoon and evening will be Dr. D. Leigh Colvin New York City and Frank S. Rosen, Rockford, Ill. Mr. Rosen is a lawyer, cartoonist and chalk talker, who has spent twenty-six years on the lecture platform; he proves with his crayon that taxes need not exceed one per cent and explodes the argument of the wets that high taxes are due to prohibition. Dr. Colvin uses history to point the way we are headed and should follow if the nation hopes to hold what they have already obtained. He served as captain in the United States army during the World War.

The second afternoon and evening the audience will hear James H. Woertendyke. He is known as "a man with a message." His language is so simple that a child can understand it. At the close of his afternoon address he will hold a law enforcement conference. This is one of the big features of the squadron's visit.

**Final Program**

The third and last afternoon and evening the speakers will be Oliver Wayne Stewart and the Rev. Norma C. Brown. Mr. Stewart is president of the Flying Squadron foundation, formerly member of the Illinois legislature, editor of the National Enquirer and former associate of the late Judge Hanly of Indiana.

Miss Brown is the only woman who ever served as chaplain of the Illinois senate. She did her four years high school work in three; also won her A. B. degree in three years. She began to preach before she was fifteen years of age.

**BATH IS HOLDING CARNIVAL NOW**

A carnival Exposition is being held all this week at Bath. Many Jacksonville people who are summering in that region will enjoy the shows and many will probably go up to Bath to see the sights. The big days of the week are Fish Fry day on Thursday; Woodman's day on Friday, and Old Settlers day on Saturday. On these three days base ball games will be staged. On Thursday Virginia and Havana will meet, on Friday Virginia and Oakford, and on Saturday Havana and Oxford.

A whole carnival is on the grounds to furnish amusement besides that on the program by local people. Several rides prominent among which looms a big Eli wheel will attract lovers of thrills and dizziness.

**Remember H. L. Smith Hdwe. Co., for fall sporting goods, guns, shells and hunting coats.**

**LICENSED TO MARRY**

Ruel E. Parlier, Arzenville; V. E. Schaud, Arzenville; Ross J. Nichol, Barry; Helen B. Dinmore, Jacksonville.

**Think Well of Our Toilet Department**

People think well of our toilet goods department because you can seldom ask for any toilet article and fail to receive it here. Our stock of toilet goods articles and preparations is really complete, as complete as is consistent in modern business methods in demand for goods. Some things rarely used may be lacking from stock. Even these things we can quickly get for you. Remember us for all toilet needs.

## WHITE HALL MAN IS AT HOSPITAL HERE

Jack Neal Sustains Painful Injury On Auto Trip Monday Afternoon and is Brought to Our Saviors Hospital—Air Hose Cut on C. & A. Trains.

White Hall, Aug. 22.—Favorable reports come from Our Saviors hospital at Jacksonville as to the condition of Jack Neal, and it is believed that he will be able to come home in a few days. Neal was with Stanley Vermillion Monday on a fishing trip in the Hartwell district on the Illinois river, and they spent the day near the home of Emil Schraam, the manager.

About 4 p. m. he started back to White Hall a short distance and struck a bump in the road that caused Neal to strike his head on the top. He continued to drive for a mile or more, and then relapsed into unconsciousness. Fearing that his neck had been broken or skull fractured he was rushed to Jacksonville. He remained in an unconscious condition until 11 p. m. It was found that the muscles of the throat were fractured and that otherwise he is uninjured. Neal is about 25 years of age, and has a wife and two children. He is connected with the Evans garage.

Acts of violence on the part of striking shopmen is evidenced in another direction. At 2:40 a. m. air hose on four cars of the night stock train, No. 91, were cut as the train was ascending Berdan hill on the C. & A., causing the brakes to set and stopping the train. The attackers must have been riding the train out of Roodhouse to this advantage point of disadvantage in train movement.

An hour later along came an extra train going south, and on the same hill the engine, No. 802, struck a piece of greased track that killed the friction of the drive wheels on the track, causing the wheels to spin and stopping the train. While the train was stopped the air hose on seventeen more cars was slashed. All the cars with air brakes thus damaged were taken to Carrollton and set out for repair.

**Pottery Closes Operation**

The Ruckel pottery has closed operations because of the coal shortage, and the drain tile and the sewer pipe works may be closed by the end of the present week. Local coal has aided greatly in riding over the strike period, but according to the Ruckel management interference was evidenced on part of striking shopmen at Roodhouse that caused action to cease operations forthwith. With the closing of the local industries most of the men will be kept busy with repair work of various kinds to such an extent that there will be little unemployment as a result.

**H. L. Smith Hdwe. Co. have a fall choice line of football goods, fishing tackle and camping equipment.**

**BATH IS HOLDING CARNIVAL NOW**

A carnival Exposition is being held all this week at Bath. Many Jacksonville people who are summering in that region will enjoy the shows and many will probably go up to Bath to see the sights. **AUTO COLLISION INJURES MAN**

Nebo Man Suffers Amputated Foot as Result of Accident Yesterday.

George Hubbs of Nebo is a patient at Passavant hospital suffering after the effects of the amputation of his foot which was made necessary by injuries received in an auto-collision near Hillview early yesterday morning.

Mr. Hubbs is a resident of Hillview and was accompanied to the hospital here by his physician, Dr. J. W. Dinsmore of that place.

Altho definite information has not been received as to the accident, but it is supposed that Hubbs' ankle was crushed when his car turned turtle. Surgeons found that it was necessary to amputate the foot.

**LOCAL MAN WILL SING AT WINCHESTER**

George Gunn, formerly of this city, will sing with the Mercer Music Company at Winchester chautauqua Thursday. Mr. Gunn attended Illinois College Conservatory of Music for three years and has for the past two years been studying under a master in

Chicago. He held the role of the Mikado in the opera of the same name, given by the Illinois Conservatory three years ago, and his strong bass voice was marveled at and appreciated by those that heard the production. Many local people are planning to motor down to Winchester to enjoy Mr. Gunn's voice again.

**Today is Picnic Day at Waverly. Something new every half hour. Fun for everybody. Come on out.—Waverly Commercial Club.**

**REAL ESTATE TRANSFERS**

**CHURCH SOCIETY WILL SEW**

The ladies of Westminster church will meet with Mrs. J. H. Rayhill on Westminster street Thursday afternoon to sew for the church bazaar.

**DELAWARE TRIBE HEARS ADDRESS**

Local Tribe of Red Men Listen to Excellent Talk By E. T. Coyle Who Is Visiting in the City—Also Plan Active Work for Coming Months.

Delaware Tribe No. 78, I. O. R. M., met Tuesday evening in regular session at their hall on South Main street, and despite the discomfort due to the hot weather there was a large attendance.

Following the regular order of business E. T. Coyle, member of Pawnee Tribe No. 66 of Springfield, Ill., was introduced to the assembly and gave a thirty minute address upon the benefits of fraternalism as exemplified by the Red Men. Mr. Coyle laid particular stress upon the fact that men in this life get out of it exactly what they put into it, and to derive genuine satisfaction from their memberships each should give to the order the best in him.

Mr. Coyle is a man of wide education and experience and well qualified to speak upon any subject given him, and his address last night was listened to with much interest.

After the address the members held an informal pep meeting and made preliminary plans for several booster meetings to take place during the coming months.

Many Jacksonville people will remember Mr. Coyle as manager of the Grand Opera house and hotel in this city. He left here about thirteen years ago and has traveled extensively since that time. He has promised the Red Men to give them another address next Tuesday night if he is still in the city.

**WINCHESTER**

The second day of the Winchester chautauqua proved to be as successful as the first. The Crawford Adams Co., gave a splendid program in the afternoon and another in the evening at 7:30. Col. Evardson was the speaker in the evening, his theme being "The Challenge of the Impossible." Col. Evardson is a powerful speaker and his lecture last night was one which held the attention of the large audiences from start to finish.

Miss Gladys Gratz of St. Louis arrived Monday evening to visit Misses Olga and Amelia Hierony mus.

Mrs. Floyd Violet and son Max of Denver, Colo., are here to visit the former's aunt, Miss Anna Dawson, and other relatives.

W. H. Kinson, wife and daughter, Miss Helen, motored to Rock Island Tuesday morning. Miss Louise Dawson accompanied them to Galesburg, where she will visit her sister and family.

**Obituary.**

Mary Elizabeth Lohman was born in Delbruck, Westphalia, Prussia, Germany, in 1838. She was united in marriage to Anton Bentler, Nov. 19, 1860. In 1864 she came to this country direct to Scott county, where she lived until the time of her death.

She was the mother of nine children, two having preceded her in death. A daughter, Frances, died in infancy and another daughter, Mary E., last month.

Deceased is survived by her aged husband and the following children: Sister M. Dafrosia, Appleton, Wis.; Mrs. Fred Koch and John J. Bentler, St. Louis; Hugo and Joseph Bentler, Cleveland, O.; Pauline and Arthur Bentler, at home. One granddaughter, Anna Bentler, has always made her home with her grand parents. There are ten other grandchildren, together with two great grandchildren.

The funeral was held from St. Mark's Catholic church in Winchester, on Thursday, Aug. 17, with Father O'Mullane officiating. Interment was made in the Gillham cemetery. The bearers were four sons of the deceased: John, Hugo, Joseph and Arthur Bentler, a grandson, Paul Heine, of St. Louis, and a nephew, Herman Trentsch of Alton.

**CHURCH SOCIETY HAD PICNIC AT VIRGINIA**

Church Helpers Enjoy Outing at Treadway Home—Other Items of Special Interest From Virginia.

Virginia, Aug. 2.—Mrs. Virgil Davis and Mrs. Raymond Treadway were hostesses to members of the "Church Helpers" society of the Presbyterian church Monday evening at the home of Mrs. Treadway south of town. The event was a picnic and such arrangements had been made that it proved to be very enjoyable to all present.

Mr. and Mrs. George Souza of Jacksonville spent Friday as guests of Mr. and Mrs. R. H. Lanterman.

Mr. and Mrs. Ed Winkle will sell their household effects at public auction Saturday. They will go to St. Louis for future residence.

Mr. and Mrs. J. E. Ivey of Beardstown were week end guests at the J. N. Ivey home in this city.

Mrs. W. W. Minor and daughter Miss Lucile returned home Sunday from a week's outing at Matanzas.

Mr. and Mrs. Arthur Black of Peoria were recent guests of Mr. and Mrs. Frank Redding. They were also business visitors in Jacksonville Friday.

Mr. and Mrs. Ed Munson of New Berlin spent Sunday with relatives in this city.

Mrs. J. J. Neiger and daughter Leontine were guests of relatives in Milwaukee last week.

Miss Edith Yewington of Girard was the guest of relatives in this city last week.

Fred Walbaum of Ashland was a business caller here Monday.

Andrew Gebhard and Richard Parry returned home Sunday from a business trip to St. Louis. Billie and Darrell Ivy returned from a weeks visit at the home of their aunt, Mrs. Earl Hempel of Jacksonville.

Mrs. M. Harris of Jacksonville was a recent visitor at the home of Mrs. Alice Stockton.

A gospel team of nine people from Rushville had charge of the evening service at the M. E. church Sunday.

Mr. and Mrs. R. H. Lanterman and children returned home Monday from a week end visit with relatives at Chatham.

Mr. and Mrs. J. H. Garner and daughter, Mesdames Mildred Carr and Caroline Rider and James Carr of Chanterville called at the Henry Monroe and Mrs. J. W. Garner homes Sunday.

Misses Kathryn and Nelle Irvine were shoppers in Springfield Tuesday.

**Today is Picnic Day at Waverly. Something new every half hour. Fun for everybody. Come on out.—Waverly Commercial Club.**

**CLUBS AND SOCIETY**

**Franklin Homemakers Circle Met Tuesday**

The regular meeting of the Franklin Homemakers Circle was held Tuesday afternoon at the home of Mrs. Arthur Van Winkle. The members were present in goodly numbers and the program of the afternoon was an unusually interesting one. Mrs. William Calhoun gave a review of an opera and a paper on the life and works of Edgar Allen Poe was presented by Mrs. Dawson Darley. Members responded to roll call by giving a sandwich combination.

Several piano selections were given by Miss Mary Frances Scott of Jacksonville, one of the guests. Other guests present were Misses Margaret Camm, Ruth Henderson and Ruth Evans. A pleasant social hour came after the program and at this time the hostess served delicious refreshments.

Mrs. Martin Van Winkle and Miss Maude Van Winkle will be hostesses to the Circle at the next meeting, Tuesday, Sept. 5.

**Birthday Surprise For Julian Sheppard**

Julian Sheppard was given a very pleasant surprise recently at his home near Murrayville, the event being planned by his wife in honor of his twenty-third birthday. Each invited guest brought a basket filled with good things to eat and at noon dinner was served cafeteria style.

The company included Dr. and Mrs. H. C. Woltman and family, Mr. and Mrs. Archie Barnhart and family, Jacksonville; Mr. and Mrs. George Clayton and family; Mr. and Mrs. Bryan Sheppard and family, Lowder; Miss Janie Irlam, Mr. and Mrs. Edward Irlam and family, Mrs. Luey Hudson and family, Mr. and Mrs. Allen Adams and family of Midway, Mr. and Mrs. Clifford Sheppard, Mr. and Mrs. Irwin Sheppard and daughter, Miss Gertrude Woodson; Mr. and Mrs. Earl Hall and family, Murrayville, Mrs. Lennie Dobson, and family, Miss Lillian Wright, Manchester; Mrs. J. R. Sheppard and daughter Ione; Miss Rena Copley, Girard; S. S. Sheppard and family, Murrayville.

**TO TEACH IN PORTO RICO**

Lloyd Cully sailed recently for Porto Rico, where he is to take a government teaching position. He is a graduate of Illinois college and has held a teaching position in Iowa the past year. Mr. Cully is a son of Mr. and Mrs. Edgar Cully.

**DR. LANDIS VISITOR HERE**

Dr. E. B. Landis, formerly pastor of Westminster church here, was in the city yesterday enroute to his home in Carbondale after a brief visit in Chicago.

**ODD FELLOWS WILL GATHER AT CONCORD**

County I. O. O. F. Picnic Will Be Staged at Concord By Concord Lodge—Base Ball a Feature of the Day.

The big annual I. O. O. F. and Rebekah picnic will be held today at Concord. Many Odd Fellows and Rebekahs will gather from all parts of the county to be the guests of the Concord Lodge. The picnic will be an all day affair. Many sports and athletic events have been arranged for and in the afternoon a base ball game will be staged between Concord and Beardstown. Music will be furnished thruout the day by the Perry band.

The business session which assembles at three p. m. will hear an address by A. L. Yantes of Shelbyville, who is State Grand Master of the order.

Dinner and supper will be served by the ladies of Concord Christian church. The big day has been arranged by the officers and members of the Concord Lodge. Mrs. B. F. Kratz is the President of the County Rebekah organization.

Illini Lodge No. 4, I. O. O. F., will exemplify the First Degree. The members of Illini lodge will leave the hall at 6 o'clock for Concord.

**Parlier-Schaad**

The marriage of Miss Vivian Schaad and Ruel Parlier both of Arenzville will take place at five o'clock this afternoon at the home of the bride's parents, Mr. and Mrs. William Schaad near Arenzville. The Rev. Mr. Hilburn will perform the ceremony.

The bride is well known in Arenzville community and is highly respected as a young lady of refinement.

Mr. Parlier is a farmer near Arenzville and the young couple will follow that occupation in the future.

**Nichol-Dinsmore.**

Rosa John Nichol of Bluffs and Miss Helen Priscilla Dinsmore of this city were united in marriage yesterday afternoon at 3 o'clock at the home of the bride's grandmother, Mrs. Priscilla Jane Dinsmore, 303 West College avenue. Dr. J. R. Harker of Illinois Woman's College was the officiating minister. The ceremony was witnessed by a number of the bride's I. W. C. classmates and immediate family.

The bride has made her home with her grandmother ever since she was a small child, she attended the public schools and Illinois Woman's college. She has for the past several years followed the teaching profession in Bluffs.

Mr. Nichol is a member of a well known Barry family. He attended the State University and Macomb Normal college, and has taught in Bluffs for several years, his ability winning him the position of superintendent of schools, which he holds at present.

Following the ceremony the bride and groom left by auto for a trip thru the Ozark hills. They will later visit in St. Louis and will be at home in Bluffs after September first.

**An elegant line of new FALL and Winter COATS just received at HERMAN'S. Special discount for early buyers.**

**JUSTICES OF CITY TO CAMP**

Several justices of the peace and constables of Jacksonville are expecting to attend the state picnic at Riley's park at Camp Point on September 2nd. The local men have been extended an invitation by the Adams county officials to attend.

State officers of the Illinois Justices Association will deliver addresses. The Tennessee Ladies band will furnish music.

**NOTICE**

Season tickets for the Morgan County Fair are now on sale at all clothing, and shoe stores, banks, jewelry stores, confectionaries, drug stores, Farm Bureau and Chamber of Commerce.

As there are a limited number the public is urged to buy early to avoid disappointment.

**TICKET COMMITTEE**

**FISH TO BE EXHIBITED**

The H. L. Smith Hardware company will exhibit samples of 18 pound muskellonge fish, caught by Herbert L. Smith. The fish will be frozen in huge cakes of ice and displayed in the show windows of the store.

**See the new wool CANTON CREPE DRESSES, reasonably priced, at HERMAN'S.**

**SPRAINED ARM BY FALL**

J. D. Adams of South Main street had the misfortune to slip on a sidewalk Tuesday evening and dislocated his left arm at the elbow. Dr. A. H. Kennelbrew attended him.

**RETURN FROM CHICAGO**

Mr. and Mrs. Carl York and two daughters, Dorothy and Bernice have returned from a week's visit in Chicago. They made the trip in their Buick car and a pleasant time was enjoyed.

# Morgan County Fair and Races

**August 29th to September 1st**

Jacksonville, Ill. Old Fair Grounds

## 4-BIG DAYS-4

### Auto Races on Sept. 2d

### Better Babies Conference and State Health Exhibit

Exhibits and displays of all kinds. Horse races, Auto races, 5 riding devices. Dive for life twice daily, Balloon ascension with tripple parachute leap everyday, Fashion show and other entertainment.

## DAY and NIGHT SHOW

**Come and Enjoy Yourself**

## Paint and Painters

### And the Time to Paint

The only paint to use, for any purpose, is the best. We have it. And painters! We claim our men are not excelled. (Have us prove it.) The time? Right about now.

If you own a building of any description, it is preserved and its value enhanced by good paint. Let us figure with you.

## Kept a Secret

Who said a woman couldn't keep a secret? Mrs. Anna Glud, Oakland, Cal., served two years as a drummer boy in the Civil War, but she didn't tell anyone about it until her 68th birthday anniversary recently. Her father and General Grant were the only two who had shared the secret until then.

## LEGION MEN WILL HAVE

### LOW RATE TO ROCK ISLAND

A cut of 33 1-3 percent in the rate for the round trip to Rock Island and return has been made for the delegates to the American Legion Convention at Rock Island this year. Between twenty and thirty local vets expect to make the trip to the city so that the cut will mean a considerable saving for the local post. The same cut will be made in the trip to New Orleans for the National Convention.

## TO GIVE HOME TALENT PLAY IN CHAPIN

Young People Plan For Presentation Thursday Night as Horse Show Day Feature.

Chapin, Aug. 22—Mr. and Mrs. John Reid and Mr. and Mrs. Lloyd Reid of Jacksonville were Sunday guests of Mr. and Mrs. W. I. Williamson.

J. E. Wolford, Mrs. Addis Fuson and Miss Winifred Ashley of Bluffs were Sunday visitors in Chapin.

The high school play being prepared for Horse Show day is progressing nicely. Undoubtedly a large crowd will witness this home talent production given by the young people Thursday.

Mr. and Mrs. J. L. Alderson were Monday visitors in the Markham neighborhood.

The Jacksonville chautauqua campers all reached home Monday. They reported that a number were sick Saturday and Sunday from an unknown cause. Mrs. Crabtree and daughter, Mrs. J. M. Fox, Mrs. Hy Vortman, Misses Mary and Martha Alderson were among the afflicted ones.

The last Quarterly conference of the M. P. church will be held Saturday afternoon at the parsonage. Rev. O. W. Lough in charge.

## CARS COMING IN

Load of "GRAY" CARS expected this week. Order yours now and save disappointment.

**C. N. PRIEST MOTOR CAR CO.**

## BUMP IN ROAD CAUSE OF FRACTURED NECK

White Hall Man Taken to Local Hospital as Result of Injuries Received When Car Hits Bump in Road.

Jack Neal of White Hall was brought to the hospital here late Monday evening when in company of three other men in a car he was thrown violently against the top, striking his forehead. He was brought to this city in a stunned and half-conscious condition about 11 o'clock Monday evening. A physician was called and an X-ray picture taken of his injury, with the result of finding a small bone broken in his neck. He remains in a dazed condition, sleeping most of the time.

## PEACHES

Elbertas \$1.75; Clings \$2. Tuesday only. You will pay more money next week. Don't wait. Elbertas will be all sold this week.

**W. S. CANNON PROD. CO.**

## ELECTRIC COMPANY

### WILL RESUME CONCERTS

Manager Blucke of Haas Electric Company announced yesterday that the company will resume its 4 o'clock Radio concerts and news service. About ten days ago the concerts were discontinued as the machine used had been sold. A new machine has been secured so that the people may again listen to the Post Dispatch concerts.

Last week three radio sets were sold to local people. The new radio fans are: W. H. Cocking of Sandusky street; Henry Howard of South Main street; and Leslie Starr of the Starr dairy.

## THE LATEST CREATION

The latest creation in the automobile industry is the "GRAY" car at \$490.00.

**C. N. PRIEST MOTOR CAR CO.**

## FUNERAL OF CHILD IS

### HELD IN GREENE COUNTY

White Hall, Aug. 22—Funeral services over the remains of Joseph Schutz more familiarly known as "Little Joe," were held at 2 o'clock Monday in the Patterson Baptist church, and the burial was in Pine Tree cemetery. He was 59 years of age, and was one of the last of the original families of the Schutz Mill neighborhood, once the leading center of grain trade in northern Greene county. His father was Matthew Schutz, who conducted a store at the now extinct trading point. The only survivors of the original families are Albert, a brother of deceased, and Joseph and John, cousins. The deceased is survived by a wife, six sons and three daughters. The cause of death was paralysis, the end coming Friday night at midnight.

## Caught at Last!

Rosa Ponsello, operatic prima donna, has been trying for three years to catch a square-tailed, speckled trout at Carreba'sett, Me. She got him this summer. He weighs nine pounds, three ounces.

## WOMAN'S CLUB WILL VISIT RAINEY HOME

Mound Woman's Club With Families Will Be Guests of Mr. and Mrs. Henry T. Rainey at Carrollton.

Sixteen carloads of people made up of the Mound Woman's Club and their families will journey to the home of Henry T. Rainey in Carrollton today, where they hold their annual picnic. No regular program is planned as the day will be spent looking over the Rainey Estate and luncheon at the "Lake in the Woods."

Those who expect to take cars are: Mr. and Mrs. John Boddy, Mr. and Mrs. Raymond Vasey, Mr. and Mrs. D. N. James, Mr. and Mrs. C. O. Graves, Mr. and Mrs. Howard Stevenson, Mrs. John Gunn, Mr. and Mrs. Louis Perbix, Mr. and Mrs. Walter McCormick, Mr. and Mrs. William Gilbert, Mr. and Mrs. John Cleary, Mr. and Mrs. John Stewart, Mr. and Mrs. Harry Kitzer, Mr. and Mrs. J. R. Wilson and Mrs. J. J. Vasey, Mr. and Mrs. Howard Cully, Mr. and Mrs. Gottfried Tendick and Mr. and Mrs. Thompson. These people will all take others so over fifty persons will go.

## Register your baby for the

Better Babies Conference at the Morgan County Fair. Ages 6 months and under 5 years. Entries close August 28th. Blanks can be secured at office of Health Department, City Hall.

## INVINCIBLE BIBLE CLASS

### PLANS SOCIAL EVENT

The Invincible Class of Northminster church will give their annual social Thursday evening at the Branch school house in the First Ward. The class has about one hundred members. Rev. Walter E. Spoonits is the teacher.

They are planning for a big time. They will have ice cream and home-made cake. All kinds of drinks and plenty of fun. Everybody is invited to this social. Come and have a good time. Simceon Fernandes is president of the class and the general committee of arrangements for the event includes Robert Acker, George Souza and Clarence Fernandes. The chairman of the refreshment committee is John Vasconcellos and of the committee on arrangements, Clarence Fernandes.

## THE TALK OF THE TOWN

The GRAY CAR at \$490.00. Come in and see it at the C. N. PRIEST MOTOR CAR CO.

## RETURN FROM

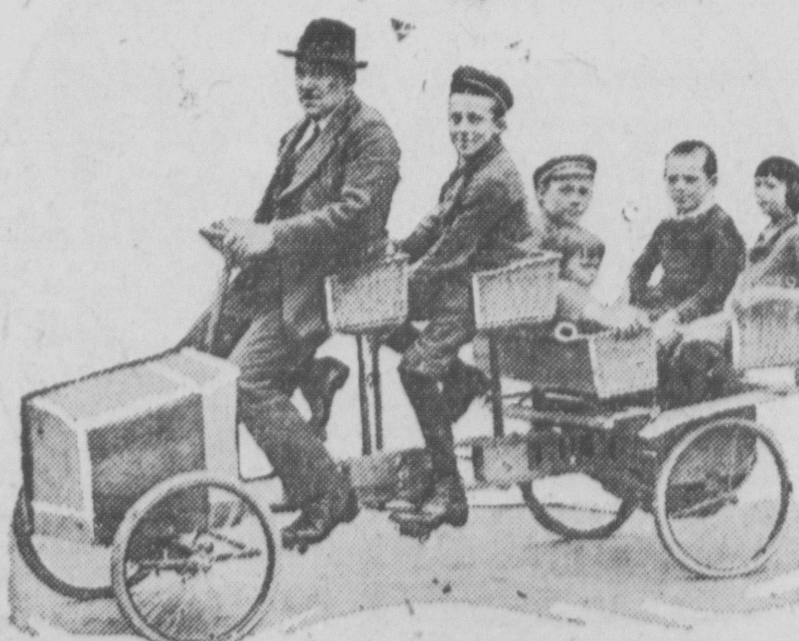

### WESTERN TRIP

Mrs. Charles Ranson of Mound avenue and Mrs. George Kimber of Waverly have returned from a summer outing spent in and around Colorado Springs, Colorado. Mr. Homer Ranson spent some time in the same resort and returned about three weeks ago.

## Remember H. L. Smith

Hdw. Co., for fall sporting goods, guns, shells and hunting coats.

## A Family Bicycle

This Berlin father built a vehicle out of two bicycles, a couple of gears and some basket seats. Now he takes the whole family for a ride and doesn't pay a cent for gas.

## Typewriters

## A New Kitchen Pleasure

which YOU may have...

When you first use a Monarch Range you experience a new pleasure in your kitchen work. And, as the years go by, you appreciate more and more that this range is different from others you have used. People who bought Monarchs twenty years ago all tell the same story—that the old Monarch bakes as well with as little fuel as ever. And usually they add, "It looks almost like a new range."

How is it that this range gives such unusual service? There is a very good reason—something that every housekeeper ought to know. The Monarch is made of malleable iron and rivets. There is a very good reason—some—Malleable iron does not crack or break. And riveted joints—made tight without stove putty—can never open up to cause air leaks which waste fuel and interfere with baking.

## Vitrified Rust Resisting Flues

The flues of the Monarch are protected against rust by Vitrified Linings—the only effective form of rust protection practical for use under the extreme variations of temperature that occur in range flues. In choosing your range, think first of these important things. Don't be influenced by trifles. Never forget that if your range is to give long and satisfactory service, it must be built the Monarch way.

## Monarch Malleable

Continued Satisfaction With Low Fuel Cost—through long years of service! The Monarch is Easy to Keep Clean

The Monarch's handsome, blue-black, Mirco top needs no stove cleaning. The white porcelain panels and blued steel body are quickly cleaned with a cloth. The few nickel parts are perfectly plain. There is no ornamentation to catch dirt.

## Duplex Draft

Fuel burns evenly in the Monarch's firebox, due to the patented Duplex Draft. It provides uniform heat to all parts of the top and oven. And it leaves no unburned fuel to be thrown out with the ashes.

The World's Greatest Baking Powder

When you use it you never spoil any of the expensive ingredients used—such as flour, sugar, eggs and milk.

Best that science can produce—Stands the test of daily use.

## SERIOUSLY HURT IN FALL AT TRACK

Falls From Horse Directly in Front of Stables—Lies in Unconscious Condition.

Thomas Hennessey of 824 Duane avenue was seriously injured

**ELECTRICAI  
WORK  
R. Haas Elec. Co.**

when he fell from a horse he had been working out on the race track early yesterday morning. The injured man was rushed to Our Saviors Hospital, where at last reports he was lying in an unconscious condition.

Mr. Hennessey is an able trainer and had charge of working out several of the race entries in preparation for the Fair. In some manner the horse he was riding yesterday morning bolted for the stable causing its rider to fall to the ground on his head. The exact extent of his injuries are not known as his unconscious condition renders the situation baffling to all physicians.

## "I Paid That Bill By Check"

There is no "come-back" to a statement like that. The person to whom it is made KNOWS that the bill MUST have been paid and that PROOF can be shown that it WAS paid.

When you pay your bills by CHECK they STAY paid. There is never any danger of being obliged to pay the same bill twice.

## HAM CAN BE COOKED IN VARIOUS WAYS

Some Suggestions Made for Summer and Fall Table Dishes.

Summer and early fall days are ham days. The weather is still warm and frequently hot as the dinner hour approaches, and any meat that lends itself to more than one day is doubly welcome. Just now ham not only does this but it also has the advantage of having declined in price at wholesale from 15 to 20 per cent in the last few weeks.

Naturally the cheapest way to buy ham is to buy it whole—or at least a half one. Getting it that way you can serve your family two or more good thick broiled slices out of the juicy center and yet have plenty left for many delectable dishes.

The butt of the ham is best baked and when this is done as it should be done, no meat is more delicious. And after the first good dinner is over there is sufficient left to insure a luncheon or two and at least one real dinner with it sliced cold and served temptingly on cool lettuce leaves with potato salad and sliced tomatoes.

The shank readily lends itself to cooking, either in the fireless cooker or the pressure cooker, with vegetables. Either way is good for summer, as there is a minimum of heat and a maximum of good food.

The receipts below are all good and may be depended upon to cheer the men folk of the family:

**Baked Premium Ham.**  
Use the butt of the ham for baking. Put it over the fire in a deep kettle with enough cold water to cover it. Add a dozen

## Fifteen Engines Lost in Railroad Fire

Police of Portland, Me., are trying to learn if a fire that destroyed 15 locomotives of the Maine Central and Boston & Maine railroads was of incendiary origin. Explosions were heard before the fire was discovered. Loss was \$1,000,000.

cloves,  $\frac{1}{2}$  cup vinegar, 1 minced onion, and simmer it slowly about 30 minutes to the pound.

Remove from water, peel off skin, and stud the soft fat with cloves. Cover with a mixture of  $\frac{1}{2}$  cup brown or granulated sugar, 1 tablespoon flour, 2 cups sweet cider, and  $\frac{1}{2}$  teaspoon mustard.

Bake until nicely browned, basting several times with the liquid. When baked, remove ham to a hot platter, and make a gravy from the liquid in the pan, adding flour and water.

**Boiled Premium Ham.**  
Cover the shank of a premium ham with cold water. Bring to boil, then simmer until tender, about 30 minutes to the pound. One hour before ham is done, add 4 dozen potatoes, a small head of cabbage, cut up in pieces, 4 carrots, cubed, 3 small onions and 1 pint string beans in season.

Place the ham in the center of a hot platter, and arrange the vegetables around it.

**Premium Ham and Poached Eggs.**  
Make a white sauce, using  $\frac{1}{2}$  cups milk, 3 tablespoons flour, and 3 tablespoons butter or oleomargarine. Heat 1 or 2 cups finely chopped or ground cooked ham with the white sauce. Pour it over buttered toast.

Serve one piece of toast, with creamed ham on it, and one poached egg to each person.

**Baked Slice of Premium Ham.**  
1 slice premium ham,  $\frac{1}{2}$  inches to 2 inches thick.  
1 teaspoon dry mustard.  
 $\frac{1}{2}$  cup brown sugar.  
 $\frac{1}{2}$  cup milk.

Combine mustard and sugar and rub over the surface of the ham. Put in a casserole or baking dish, pour the milk over it, cover and bake it in quiet a hot oven for 25 minutes.

**Fried Premium Ham.**  
It is not necessary to parboil premium ham before broiling or frying. Carmelize 1 tablespoon sugar in a frying pan, add a slice of ham, but about  $\frac{1}{2}$  inch thick, and brown it on both sides. Cover with milk and cook slowly, covered, for 10 minutes.

Lift the ham out, thicken the gravy and serve with mashed potatoes or fried sweet potatoes. This gravy has a delicious flavor.

**Premium Ham Souffle.**  
2 cups scalded milk.  
3 tablespoons butter or oleomargarine.  
3 tablespoons flour.  
 $\frac{1}{2}$  teaspoon salt.

1-3 cup bread crumbs.  
2 cups cooked ham, ground.  
Kernels of 3 eggs, beaten well.  
Whites 3 eggs, beaten stiff.  
Grated cheese.

Buttered bread crumbs.  
Make a sauce from the milk, fat, flour and salt, and add the bread crumbs. Cook a few minutes.

Remove from the heat, add the ham and the egg yolks, and fold the egg whites in carefully. Spread buttered bread crumbs over the top and sprinkle with grated cheese.

Bake in a well-greased baking dish about half an hour in a moderate oven.

**Broiled Premium Ham and Sweet Potatoes.**

It is not necessary to parboil premium ham before broiling or frying.

Boil sweet potatoes until

tender. Skin them and slice them lengthwise into a greased baking dish. Moisten with sugar syrup (1 cup sugar and  $\frac{1}{2}$  cup water boiled till thick.)

Place a medium thick slice of premium ham on top of the sweet potatoes. Broil it on the top side. Turn the ham over when done and broil on the other side. Serve at once.

**Plain Baked Premium Ham.**  
Put ham into a large pan. Cover with cold water and add 1 dozen cloves. Simmer the ham about 30 minutes to the pound, or until tender.

Cool it in the liquor and take off the rind. Sprinkle the fat with bread crumbs and brown sugar. Bake about 30 minutes in a hot oven to brown it.

## White Sox Demonstrate They're Far From Joke Some Critics Declared

By Billy Evans.

"Give the White Sox good  
pitching and they are anything  
but a joke club a lot of the ex-  
perts are trying to point it.

"Any time Red Faber pitches  
and is in form, no club in the  
American League has any license to  
beat us.

"If I am fortunate enough to  
have a couple of my young pitch-

ers come through for me, they  
are going to have a hard time  
beating out of the first division."

That, in substance, is what  
manager Kid Gleason of the Chi-  
go club said to me after the  
first week of play in April.

At that time Chicago was gen-  
erally picked to finish in the sec-

ond division. Most of the base-  
ball experts believed the White  
 Sox would be as low as seventh.

With the season two-thirds  
over, they are now in the first di-  
vision and within hailing distance  
of first place.

Manager Gleason had the real  
p in the spring. The White  
 Sox have proved they are far from  
a joke club that the experts  
used on.

Gleason's fondest hopes have  
been realized. Three young pitch-

ers have come thru for him—  
bertson, Leverette and Blank-  
ship.

It is a remarkable thing for a  
major league club to have one of  
recruits develop into a regular  
the first season out. For three  
ruits to come through is extra-  
ordinary.

The showing of Robertson, Lev-  
ette and Blankship reflects  
credit on Manager Gleason  
Catcher Ray Schalk. The su-

## BROOKLYN DEFEATED CUBS IN FIRST GAME

Take Opener by Score of 5 to 4—  
Game Was a See Saw Affair—  
Cub Pitchers Unable to Fool  
Dodger Batsmen.

CHICAGO, Aug. 22.—Brooklyn  
defeated Chicago 5 to 4 in the  
first game of the series here. The  
locals took the lead but the vis-  
itors drove Aldridge off the  
mound in the first and went in  
front. They added another run  
off Osborne in the sixth, and after  
Chicago had tied the count in the  
eighth by bunting two doubles  
and a single, the Dodgers put over  
the winning tally on Johnson's  
single and a double by B. Griffith.

Vance pitched in fine form, hav-  
ing only two bad innings and  
striking out nine men. The score:  
Brooklyn AB R H O A E  
Olson, 2b 5 1 1 3 3 0

WASHINGTON, Aug. 22.—Chi-  
cago and Washington divided a  
double header today, the Griffins  
winning the first 4 to 2 while the  
second was an easy victory for the  
White Sox 3 to 0.

Mogridge outpitched Robertson  
in the first being strong in the  
pinches while Mack was a puzzle  
for the Griffins in the second. A  
home run inside the grounds by  
Gharriy featured the first con-  
test.

KNIGHTS OF COLUMBUS  
TEAM LOOKS FOR GAMES  
The Knights of Columbus  
baseball team is looking for  
games with any teams in this  
vicinity. The Knights have some  
of the best players in the city  
in their membership and can give  
any team a hard rub. Any team  
desiring games may write to Wil-  
liam Waggoner, care Knights of  
Columbus hall, Jacksonville, Illi-  
nois.

W. S. Seymour was a caller in  
the city yesterday on business  
from Franklin.

THE NUT BROTHERS  
(CHES & WAL)  
HOW MUCH CANVAS WILL  
YOU NEED TO COVER  
YOUR LAWN?

AW, I THINK I'LL JUST  
GET A YARD OF IT

chance to win the pennant—a  
mighty good one.

"My young pitchers have come  
through for me; the rest of the  
club is playing bang-up baseball.

"My veterans, Schalk, Faber,  
Collins and Hooper, will go even  
better in the final stages of the  
race, with a pennant in sight."

There you have Manager Gleason's  
latest prediction, and the Kid  
isn't inclined to do much talking.

Unquestionably the remarkable  
showing of the White Sox reflects  
much credit on his managerial  
ability.

## TIGERS TAKE TWO FROM ATHLETICS

Philadelphia, Aug. 22.—Detroit  
won both ends of a double head-  
er from Philadelphia today 6 to  
4 and 17 to 3. Home runs by  
Veach and Blue and a wild pitch  
by Hasty decided the opening  
game. Perkins was banished for  
the first time in his major league  
career for protesting against  
Blue's homer, the result of a  
bleacher fan reaching out and  
pulling in the ball. Heidmann  
got his nineteenth home run and  
Herman Fillette the youthful  
Tiger hurler won his seventeenth  
game of the season in the sec-  
ond game.

Score:  
First Game  
Detroit .202 000 110—6 11 0  
Phila. .200 000 110—4 8 1  
Dauss and Bassler; Hasty  
Perkins and Bruggy.  
Second Game  
Detroit .162 361 505—17 17 0  
Phila. .000 000 210—3 9 7  
Moore, Fillette and Woodall;  
Ketchum, Naylor and Bruggy.

## GIANTS INCREASED LEAD TO FOUR GAMES

Cincinnati, Aug. 22.—The New  
York Giants increased their lead  
in the National League race to-  
day to four full games by beating  
the Reds 7 to 3, while the Cards  
were lying idle. Couch was hit  
hard and lasted less than three  
innings, while a muffed fly by  
Duncan in the first proved costly.  
Keck and Gillespie were more  
effective for the rest of the game.  
McQuillan allowed nine hits but  
was strong in the pinches and his  
support was sensational. A one  
hand catch by Stengel of Roush's  
hot liner in the second inning  
was a leading feature saving at  
least two runs.

Score:  
New York .303 001 000—7 15 0  
Cin. .011 001 000—3 9 1  
McQuillan and Snyder; Gilles-  
pie, Keck, Couch and Hargrave.

## MORE GOLF TEAMS REGISTER

Several more golf teams have  
been registered with Marcy Os-  
borne, chairman of the member-  
ship committee recently. Organ-  
ization of an Elks team by Sher-  
man Dorand in order to schedule  
with the Doctors of the city un-  
der Dr. Gregory, was completed  
and it is likely that the match  
will take place in the near fu-  
ture. All persons who can or are  
interested in organizing a team  
should communicate with Mr.  
Osborne at once.

## TONEY WILL NOT REPORT UNTIL 1923

St. Louis, Mo., Aug. 22.—Fred  
Toney former New York twirler  
whom the St. Louis Nationals ob-  
tained by waiver from Boston a  
week ago, will not report to the  
Cardinals until next season,  
Branch Rickey, manager of the  
Cardinals announced this after-  
noon. The loss of Toney is ex-  
pected to have a marked effect  
on the local's pennant chances.

## MURRAYVILLE WINS FROM INDEES 1 TO 0

Games Was Pitcher's Battle Be-  
tween Ira Fanning and Fryman  
—Fanning Held Indexes to Two  
Hits.

Murrayville, Aug. 22.—  
Murrayville defeated the Jackson-  
ville Indexes here this afternoon be-  
fore a large crowd by a score of  
1 to 0. The game was a pitch-  
er's battle between Ira Fanning  
and Fryman. Fanning held the  
Indexes to two hits while Murray-  
ville was able to gather but four  
off of Fryman.

Fanning was rather wild but  
when he did get the ball across  
the pan the Indexes were unable to  
hit it safely. The nearest the In-  
dees came to scoring was in first  
inning when Wheeler walked and  
went to second on Kohloff's infield  
hit but was caught at the pan on  
Longner's throw to Warren  
Wright. The Indexes second hit  
came in the second inning with  
one down. Christopher bounced  
a hard drive off of Longner's  
glove for two bases. However,  
he was doubled when Longner  
grabbed DeFrates' liner.

In the fourth Denney walked  
and took second on Kohloff's sac-  
rifice and third on passed ball but  
died there. John Zell reached  
second on Baujan's wild peg in the  
fourth. That was all the men  
that got on for the Indexes.

Murrayville won the game in  
the first when they bunched three  
of their four hits. Baujan  
straightened one of Fryman's fast  
ones out and sent it to right for  
three bases. He was out. R.  
Zell to J. Zell to Kohloff to Clark  
trying to stretch the hit into a  
homer. Warren Wright was out  
Kohloff to Wheeler, the former  
making a great stop of his ground-  
er. Ruble singled and stole sec-  
ond. It looked like he was out  
but the umpire ruled otherwise.  
Stoker followed with a single to  
left, scoring Ruble with the only  
run of the game.

Aside from the pitching there  
was some brilliant fielding by  
Stoker, John Wright, J. Zell, De-  
Frates and Kohloff. The same  
teams have two more games to  
play. They will be played in  
Jacksonville September 3 and 4,  
Sunday and Labor day. The Mer-  
chants now have one game to the  
good over the Indexes. The score:

## THE KNICKERBOCKER WON BY KING WATTS

Feature Stake at Poughkeepsie  
Requires Four Heats to Get  
Decision—Results in Other  
Events.

POUGKEEPSIE, N. Y., Aug. 22  
—Four heats were required to  
2:08 class trot, purse \$2,000, at  
the opening of the four day  
meeting of the Grand Circuit  
at the Hudson River Driving  
Park today. King Watts, driven  
by A. McDonald won the event  
by taking the last heats after  
the first had gone to the Great  
Volo, piloted by Walter Cox and  
the second to Legal J., Piloted  
by Warman.

Herbertown, veteran of the  
half mile tracks lost to the  
Great Volo by a head in the first  
heat. In the second Legal J.  
broke at the finish but crossed  
the line a length ahead of King  
Watts. The third heat was cap-  
tured by King Watts only after  
a close brush with Princess Etah-  
wah in the stretch while the  
fourth came in an easy winner  
over the Great Volo in the last  
quarter after Legal J. who had  
led previously broke twice.

Peter the Brewer in straight  
heats won the 2:21 class trot.  
The 2:11 class trot went to Bill

## GREENE COUNTY CROP AND WEATHER REPORT

Indicates Corn Crop Damaged 30 Per Cent by Drouth—Peaches Being Shipped by Carload.

White Hall, Aug. 21.—Corn in Greene county has been damaged to the extent of thirty percent by the drouth, and no amount of rain can now save the loss, as the crop is practically made. This reduction from normal includes some that will not mature and not merchantable, and in other places where the tassels have burned. There has been no rain of any consequence since July 30th, the only measurable quantity being 0.18 of an inch on Monday, according to the weekly weather report at the local station of the weather bureau, issued Monday.

There has been some tractor plowing on stubble ground that has been burned off, which operation leaves the ground in a mellow condition, and the shower on Monday may enable plowing in a general way.

The strawberry vines have been saved probably. Peaches matured very early, and an immense crop of peaches and grapes are coming on the market. Carload peaches are being shipped from Calhoun county for the first time. This year's crop of honey is excellent in both quantity and quality. The large watermelon crop is pretty well along to a conclusion.

The long dry spell has recorded

## A Real Farm

At a Low Price and Attractive Terms

147½ acres 5 miles southwest of Arenzville; 26 acres bluff land, balance bottom land. Good set of buildings. Price \$26,000. Terms \$6,000 cash, balance can stay on farm for a good term of years. If this is large enough better look it over at once.

J. A. Weeks

ARENZVILLE, ILL.

numerous fires along the right of way without serious damage. Such a fire in the vicinity of Drake Sunday afternoon was threatening the residence and out-houses at the home of Stanley Roberts when assistance arrived. The main damage was the destruction of 12 to 15 acres of seed clover belonging to Harry Seely, and there was some wheat stubble burned. The overhead wagon bridge became ignited, but the flames were extinguished before the structure was damaged to the extent of being impassable.

The highest temperature reading during the week was 99 degrees on the 17th, being the highest of the season thus far. The mean maximum was 94 and the mean minimum 67. The total rainfall was 0.18 inch, falling on 21.

## WOULD HAVE SCHOOL CHILDREN WEIGHED

SPRINGFIELD, Ill.—Weighing of school children every month to determine the causes of their being under weight is recommended by Dr. Isaac D. Rawlings, director of the Illinois Department of Health.

"In every community children are found who are manifestly underweight," he said. When the difference between their weight and normal weight amounts to ten percent he said, "it is charged to malnutrition, and both the cause and remedy should be sought without delay. Beginning on the first day of school the children should be weighed at intervals of at least once a month. A weight chart should be kept for each individual child, which should be given to the family physician as a basis for diagnosis."

"In recent years many schools have adopted the open-air and rest cure for children who are suffering from malnutrition with splendid results. Peoria and Jacksonville have had open air schools for two or more years. The physical condition of the pupils should always be under the supervision of a physician."

Fresh English Walnut Halves, at MERRIGAN'S

TELLS HOW TO MAKE SAFE CIDER

Rockford, Ill.—"Safe Cider" it is, now that Attorney General Brundage has ruled a man may make his own cider but must be very careful about the "kick." Mrs. Eva Fickes, president of the Rockford Woman's Christian Temperance Union, has a recipe that will satisfy the prohibition plank of the W. C. T. U. and make cider safe for Democrats, Republicans and all other creeds, she said.

Boil it, she said, as soon as it is made. Then skim and seal in glass jars. To make cider vinegar without the fractious element, add one-third water to sweet cider, leave cork out, tie cheese cloth over bung of barrel to keep out flies and place in sun or other warm place until sharp as desired. Another way is to cover apple pumice with water, after three days, press and strain open bung covered with cloth.

"These recipes produce just as good cider products as the old methods and prevent any chance of fermentation," said Mrs. Fickes.

PEACHES

DAIRY ASSOCIATION SECRETARY RESIGNS

SPRINGFIELD, Ill.—George Caven of Chicago, for 24 years secretary of the Illinois Dairy Association, has resigned to give his time to the publication of the Dairy Produce Journal, according to announcement made here by S. J. Stanard, state dairyman of the Department of Agriculture. The vacancy will be filled by the board of directors of the association at their meeting at the state fair in September.

THE TALK OF THE TOWN  
The GRAY CAR at \$490.00. Come in and see it at the C. N. PRIEST MOTOR CAR CO.

Movies And the Eyes

There is no evidence to prove that the "movies" are imperiling the sight of the nation. Careful investigation leads to the opposite conclusion. You may be quite certain that when your eyes trouble you while viewing moving pictures, it is due, not to the pictures, but to defective eyes which call for optometry's aid.

The person with normal eyes will not suffer at picture shows. At the very first indication of eye trouble call and let us make a careful, scientific examination of your eyes.

West State St.

## STRAWBERRIES EASY FRUIT TO CULTIVATE

Statement Issued by J. A. Young Secretary of "Plant Another Tree Association."

AURORA, Ill.—The strawberry is the easiest of fruits to cultivate, according to a statement issued here by J. A. Young, secretary of the "Plant Another Tree Association." Mr. Young asserted that the average fifty foot lot would provide space for a bed of strawberries large enough to supply a small family; that the residence lot of larger size would afford a bed big enough to supply almost any family, and that the farmer can produce an abundance of berries for his own table and usually enough "so that some may be sold at a nice profit." He added, "There is no reason at all why each family cannot grow berries enough for their own use."

"In the month of August," said Mr. Young, "the strawberry runners start and at intervals new plants are established. It is quite necessary that at this time the ground be kept loose by cultivation so that the small plants will take hold and become thoroughly established before winter."

"The real time to plant strawberries is in the spring. They can be planted in August or first week in September, but the spring is the best time. They should be planted with the rows 3-3 1/2 feet apart and about 14 inches apart in the rows. The first year the plants should be kept thoroughly cultivated and the dust mulch used at all times."

"After the plants are one year old, all the old tops should be cut off, the ground and burned. This should be done as soon as fruit has been picked. This will destroy any insects that may be on the old leaves. At all times the ground between the rows should be kept thoroughly cultivated. To carry out the above instruction is very simple and easy."

PUBLIC SALE

September 16, 1922, at the south door of the Court House, Jacksonville, Ill., at 2 o'clock p. m., Charles A. Johnson and J. Weir Elliott, executors of the will of Joseph Cridland, deceased, will offer for sale the Cridland farm of 171 2-3 acres, more or less, situated about 4 miles west of Jacksonville, Ill., on the Mercedosa road. The farm will be offered as a whole and also in two pieces.

Terms: 20% down on day of sale, balance March 1, 1923, when deed is delivered.

For further information see the executors at the Elliott State Bank.

MR. AND MRS. ROWE RETURN

Mr. and Mrs. R. Y. Rowe returned Monday evening from their summer home in Castle Park, Mich. Mrs. Rowe spent the greater part of the summer enjoying the lake breeze but Mr. Rowe was only there for a week or ten days. Mrs. F. H. Rowe and Mrs. Paul Samuel and son are still at the resort.

## WOMAN'S COMPLEX LIFE

Woman's complex life with its multitudinous calls is given as the reason for many a nervous breakdown. Home work, social obligations, dressmaking and the care of children keep the 20th century woman in a whirlwind of activity until headaches develop, backache, nervousness and oftentimes more serious ills which are peculiar to her sex alone. Such women should not despair, but be guided by the letters so often published in this paper from women who have been in just such conditions, but who have been restored to health by Lydia Pinkham's Vegetable Compound.

This is a root and herb medicine that contains no drugs and can be taken in safety by any woman.—Adv.

Both Quality and Price Are Combined in These

## Special Mattresses

Cheap cotton and combination mattresses don't pay. They settle down, sag and become lumpy and uncomfortable. This mattress is of cotton felt, in layers, it cannot lump and an occasional sud bath keeps it soft and comfortable. It is the same quality that you are asked \$15 for today. Price \$11.50

We are making a special offer on only six of these layer felt mattresses at a saving to you of over \$3. Remember there are only six to sell. See them early and compare with regular \$15. goods. You get a good mattress at the price of a cheap one. Cotton is advancing in price and mattresses are also.

A dandy medium size new oak buffet, excellent finish and extraordinary workmanship, French bevel mirror. Compare this with regular \$30 buffets. Our price this week is \$21.00

Oak combination book case and desk, fully modern and practically new. 5 foot book shelf space, drop leaf writing desk. All oak golden finish—half price.....\$13.50

Used oak buffet, refinished—in fine order.....\$10.00

One antique settee and round parlor table, attractive price.

Good pattern Gold Seal Congoleum rug, new, at.....\$14.75

## Its a Funny Thing

A man who would not leave a spade out over night will let the car run along with the wrong-oil, scored cylinders, steering gear froze and many other things going to wreck and ruin, costing the price of a thousand spades.

It pays to take fussy care of your car.

It pays to keep every part well and properly lubricated.

It pays to grind cylinders and have scored cylinders filled.

Our rebuilding pays in the long run.

Ask a man who has had his car rebuilt.

**WHEAT MARKET**  
**STRONG AT CLOSE**  
By Associated Press.  
CHICAGO, Aug. 22.—Wheat  
fluctuated rapidly within a wide  
range today and while lower early  
following a higher start, turned  
strong toward the close. Decem-  
ber advancing more than three  
cents from the low. At the finish  
wheat ranged from 1¼ to 1½ net  
higher with September \$1.02½ to  
\$1.03½. Corn was up ¼¢ to 1¢  
oats advanced 1 to 2¢ and provi-  
sions were irregular.  
Yesterday's breaking in Liver-  
pool carried there below a parity  
with Chicago and readjustment  
today combined with short cover-  
ing and continental buying made  
the close there higher. The mar-  
ket here opened firmer in sym-  
pathy with Liverpool but after  
shorts had covered, it eased off  
quickly under a little local and  
commission house pressure. The  
underone however was not weak  
and it took but little buying to  
make a strong rally. There was  
little in the news to account for  
the return, but it was noticeable  
that sentiment was much less bear-  
ish even when values were under  
the close of the previous day than  
has been the case for some time.  
Exporters were fast buyers of  
cash wheat in the west but the  
demand at the seaboard was re-  
ported as slow.  
There was a broad market in  
corn after a small decline early.  
General short covering was on  
and with an oversold condition  
and stoploss orders coming out  
prices advanced sharply with De-  
cember at the top showing about  
2½¢ over the early low. Forecast  
for another hot wave, as given by  
the government detailed report  
was the main bullish influence.  
Resting orders to sell and  
profit-taking by recent buyers  
checked the bulge. Damage re-  
ports were received from the  
southwest where it remains hot  
and dry.  
Oats followed corn and aver-  
aged higher.  
Provisions were weak, there  
being scattered liquidation on in  
September lard which was  
changed over to October at about  
10 points difference.

**Gasoline in Storage and the Motor Car**  
 MUCH has been said of the enormous stocks of gasoline in storage, but very little has been said of this storage as it compares to the number of cars in commission.  
 Recent statistics compiled by the American Petroleum Institute comparing the number of motor cars in commission with the amount of gasoline in storage, show that there was less gasoline per car in storage June 1 of this year than at any similar period during the last 5 years, with the exception of 1920.  

Year	Autos reg. Jan. 1	Stocks June 1	Gallons per car
1918	4,983,340	460,637,479	92.4
1919	6,146,617	594,035,688	96.6
1920	7,558,848	577,671,795	76.4
1921	9,211,295	800,495,787	86.9
1922	10,448,632	856,607,102	82.0
Average 1918 to 1921			87.2

 Notwithstanding the fact that the crude oil production is very heavy at this time, the rapid increase in the production of automobiles and other automotive machinery has created a demand which already is greater than the increased supply.  
 The current output of the several large refineries of the Standard Oil Company (Indiana) supplemented by the reserves now on hand, enables the Company to guarantee that the public shall have a steady, dependable supply of Red Crown Gasoline at its command.  
 Because of its size, its progressive and efficient management, its ample resources, and unrivaled facilities, the Standard Oil Company (Indiana) is able to provide the needful amounts of petroleum products to supply the vast demands made upon it. Its manufacturing facilities are planned to anticipate these needs years in advance and always are ready for service. Its constantly expanding distribution system is growing as the need for this service grows. Even in the remote corners of the 10 states served by this Company, the dark green tank wagon is a familiar and welcome visitor.  
 No matter how the production of crude oil has fluctuated, no matter how urgent the demand nor how limited the supply, motorists will recall that not once in the most stringent emergencies of the past has the Standard Oil Company (Indiana) through any fault of its own, failed to supply their essential needs. This Company has every confidence that its future record of service will be equally satisfactory.

**MANY OLD FARMERS STILL IN BUSINESS**  
 Many Nearly-Ninety Mark Have Written to Win Aurora Exposition Gold Prize.  
 AURORA, Ill.—The search by officials of the Central States Fair and Exposition for the oldest active farmer and farm housewife in the United States has brought forth the fact that the business of farming is not done entirely by youngsters.  
 Many approaching the ninety year mark and some who have passed it have written exposition officials to qualify for the \$50 gold prize and free trip to the exposition to be held in Aurora August 18 to 26. Indications are that the winners must be more than ninety years in age.  
 The father of Mrs. John C. Long cor of Belvidere, Ill., will be ninety-six years old on October 8, his daughter said in writing fair officials, and is still working his farm. He fed a carload of cattle last winter and then took them to the stockyards. Mrs. Longcor neglected to give her father's name and entry blanks were mailed her.  
 William Farrell of Alton, Ill., directs the work of two 120-acre farms at the age of eighty-two. He was born on one of them which

**NEW WAY TO BRING BLOOM TO CHEEKS**  
 Girls Will Use Indian Clubs and Dumb Bells Instead of Paint and Powder.  
 Mendota, Ill., Aug. 19.—By The Associated Press.—A bloom on the cheeks of the girls of Mendota high school may come next school season from use of Indian clubs and dumb bells, but not from powder puff and rouge, according to the edict just announced by the Mendota Board of Education, banning all artificial complexion helps at school and substituting therefore, a course in physical education. Women teachers are also forbidden to indulge in cosmetics.  
 "Use by the students and faculty," the board's order reads, "of vanity cases, powder puffs, lip sticks, eyebrow pencils, pocket mirrors, cosmetics, and instruments for application thereof, is prohibited in the high school building and grounds."  
 There is a "time for everything" board members decided, adding that school time is decidedly not time for primping. No complaint was made that Mendota girls, either in dress or demeanor have been immodest but it was represented that the prevalent use of the powder puff and conceitants had given a bad impression of girls, resulted in a loss of time, and was harmful to good health and appearance.  
 Girl students will be requested to arrange their toilet schedules, board members announced, so that they can part from their vanity cases at school. The habit which brought this order, was that induced in by girl pupils in the upper hall at the high school between classes.  
 Mrs. Robena Marvin of Maple Park, Ill., is eighty-two and works a 320 acre farm on shares. Mrs. Franke Hurgens, eighty years old is her partner. Mary W. Boylan seventy-seven years old, runs a farm of 185 acres near Antioch, Ill.

**WILL SOUND SLOGANS OF POLITICAL BATTLE**  
 Preport, Ill.—Slogans of the political battle for control of Congress next fall may be sounded here on August 27, when United States Senator Bryan Patton Harrison of Mississippi, democrat and Karl C. Schuyler, former speaker of the Colorado House of Representatives, republican orator, will speak from the same platform at the celebration of the Lincoln-Douglas debate.  
 Their subject will be: "Applications of the Principles of the Lincoln-Douglas Debate to Problems of Today."  
 Sixty-four years ago 2,000 people came here in carts, wagons, carriages, on horse back and many on foot to hear the great debate. On the occasion of the anniversary of the debate it is expected some 60,000 people will come by automobile and train.  
 The site of the debate is marked by a large boulder dedicated by Theodore Roosevelt in 1903.

**How did your neighbor's last bargain tire turn out**  
**PROBABLY** you know at least one car-owner who is always on the look-out for the cheapest tires he can find.  
 He likes to get them by mail or at a sale or at some place where they have big red bargain signs over the door.  
 It would be fine if he could get "the edge" in every tire trade.  
 But the dealer can't afford to let him have it.  
 Even if a man saw any slight percentage in tire shopping at all—it disappeared when the "Usco" brought the price down.  
 A standard product—and the dealer sells it with pride.  
 A good tire. The dealer has no desire to trade  
 you into a larger profit for himself.  
 An out-in-the-open tire. The dealer sells you confidence, not price. He wants you satisfied with performance and value. The only way he knows to get your business is to deserve it.  
 This is the "Usco" idea.  
 Compared with the ten-minute thrill of the bargain appeal, the "Usco" is just plain common-sense.
